STATEMENT OF FACTS

In late summer of 2001, Cynthia Ligon became a tenant of Paul Borronow at the property located at 834 E. Orange Street, Second Floor, Lancaster, PA 17601 (the "Property"). It appears that sometime during the month of May, 2002, PP&L investigated the wiring at the Property and found that a hall light and porch lights were connected to the meter servicing that apartment.

Purportedly under the Public Utility Code and Act 54 of 1993, PP&L transferred an unpaid balance of \$2,293.06 to the account in Mr. Borronow's name in June, 2002. Based upon the amount of the balance, it is apparent that Ms. Ligon owed a certain portion of that debt to PP&L from a prior tenancy/account, and that such a total sizable debt could not have been incurred within that few months.

During the months of July, August and September, Mr. Borronow paid Ms. Ligon's utility bills while he had the hall light re-wired and a meter installed for the purpose of tracking the usage of the hall light and porch light. In September, 2002, after incurring over \$1,000.00 in costs for the new meter, the billing was eligible to once again transferred to Mr. Ligon, though by that point she had been evicted. Despite payments, the entire balance remains to this day on Mr. Borronow's account.

Prior to Ms. Ligon's leaving the Property, it is believed Ms. Ligon tendered several payments to PP&L and PPYL applied those payments to other items, and did not reduce the balance on Mr. Borronow's account.

STATEMENT OF WHY THE CHARGES SHOULD BE REMOVED

PP&L has cited 66 P.S. § 1529.1 as its justification for transferring an over \$2,000.00 bill to Mr. Borronow's account. According to 1529.1(b), when a residential building contains one or more dwellings units not individually metered, the utility "shall forthwith list the account for the premises in question in the name of the owner, and the owner shall thereafter be responsible for the payment for the utility services thereafter . . ." 66 P.S. § 1529.1(b). By the plain language, the owner is obligated for charges after the charge, which Mr. Borronow paid. He should not be responsible to pay Ms. Ligon's debts to PP&L.

4. Admitted in part and denied in part. PPL admits that it investigated a foreign wiring Complaint and Paul Boronow's ("Complainant") property in May 21 of 2002. PPL further admits that it discovered foreign wiring at the property and that it transferred the balance from the Tenant's account to the Complainant in accordance with Act 54 and Public Utility Commission precedent

PPL is without knowledge or information regarding the cost of individually metering Complainant's property, therefore that allegation is denied.

PPL denies that the balance was improperly transferred or that it has been unreasonable in billing Complainant or in any other way in this matter.

Complainant's allegations regarding Act 54 are conclusions of law not requiring an answer and therefore are denied. By way of further answer, PPL avers that existence of

foreign wiring in the Complainant's property precludes the premises in question from being considered "individually metered" for the purposes of 66 Pa. C.S. §1529.1 and therefore PPL was required to maintain the accounts for the premises in the name of the Complainant as the owner of the residential building until the premises were individually metered.

PPL denies that it has violated any section of its tariff or PUC regulations.

5. The allegations set forth in Paragraph 5 of the Complaint are conclusions of law not requiring an answer. To the extent an answer is required, PPL incorporates herein by reference its answer to Paragraph 4 above.

6. Admitted.

7. Admitted.

NEW MATTER OF PPL ELECTRIC UTILITIES CORPORATION

PPL, by its attorney, hereby raises as a new matter, pursuant to section 5.62, title 52 of the Pennsylvania Code, 52 Pa. Code § 5.62, the following:

8. Paragraphs 1 through 7 of PPL's answer are incorporated herein by reference as though set forth fully at length.

9. Complainant's complaint is barred by the doctrine of estoppel.

10. Complainant's complaint is barred by the doctrine of laches.

11. Complainant's complaint is barred by the doctrine of waiver.

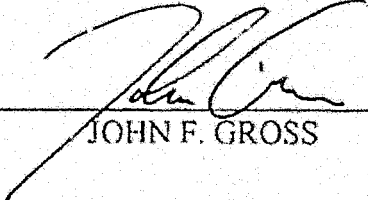

12. Complainant's complaint is barred by the applicable statute of limitations.

Wherefore, in view of the foregoing, PPL respectfully requests that the Pennsylvania Public Utility Commission deny the above captioned complaint.

6. It is admitted that PPL conducted a foreign wiring investigation. Complainant believes that PPL did discover that an outdoor light and/or hall light was being billed on the tenant's account.

7. It is admitted that PPL transferred Ligon's entire account balance to Complainant's name. It is also averred that Complainant paid tenant's PPL bills for several months until the re-wiring was complete and a new meter installed. The balance was never transferred back to Ligon. Complainant further believes that some of the balance was transferred to Complainant was related to Ligon's account at her prior address.

8. The allegations of paragraph 8 are conclusions of law to which no response is required.

9. The allegations of paragraph 9 are conclusions of law to which no response is required.

10. It is admitted that the amount should be transferred back to an account in Logon's name as she is the actual debtor for the amount.

11. While Complainant does not believe that Ligon's rights will clearly be determined by the results of the proceeding, Complainant has no objection to Ligon being added as a party if she can be located by PPL.

12. Complainant admits that PPL is seeking to add Ligon as a party to the action and Complainant has no objection.

WHEREFORE, Complainant, Paul Boronow, indicates that he has no objection to the addition of Ligon as a party hereto.
