**Re: Notice to Natural Gas Suppliers and stand-alone customers affected by the Revised Joint Petition for Settlement in Docket No. C-20039935 required pursuant to the Tentative Opinion and Order entered by the Commission on July 13, 2004 Errata Mailing**

Dear Secretary McNulty:

Pursuant to the Commission's Tentative Opinion and Order entered on July 13, 2004 in Docket No. C-20039935, National Fuel Gas Distribution Corporation sent written notification on July 21, 2004 to affected Natural Gas Suppliers and stand-alone customers as directed by the Commission. It was later discovered that one page of the service list was inadvertently excluded, and as a result the affected parties on that page were not served. This mailing corrects the company's oversight by mailing the required information to the remainder of the affected parties.

Kindly time-stamp the additional copy of this letter and return it to the undersigned in the enclosed self-addressed, stamped envelope. Thank you for your attention to this matter.

Very truly yours,
