INTERIM ORDER ADMITTING EXHIBITS  
AND CLOSING THE RECORD

DOCUMENT

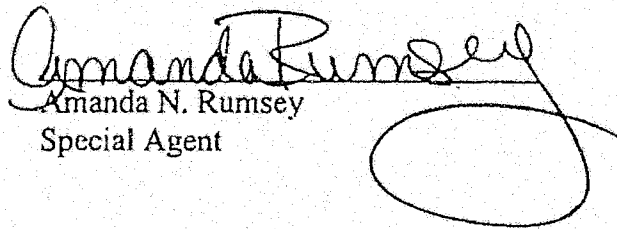

An Initial Telephone Hearing was held in the above referenced case on September 2, 2004. At my request, the Respondent submitted a copy of a prior Bureau of Consumer Services Decision issued on the Complainant's account. This late filed exhibit has been marked, "NFG Exhibit 2".

To date, I have not received written notice from the Complainant advising me of an objection to the admission of this exhibit.

Therefore, it is ordered that:

1. National Fuel Gas Distribution Corporation exhibit "NFG Exhibit 2" is hereby admitted into the record.
2. The record in this case be closed.
