Dear Leah Gibbons:

We are pleased that Green Mountain Energy Co has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Green Mountain Energy Co could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Green Mountain Energy Co has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Green Mountain Energy Co does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Green Mountain Energy Co changes in the future, Columbia Gas might deem it appropriate to require Green Mountain Energy Co to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

RE: Security Requirement Green Mountain Energy Company

Dear Leah,

Pursuant to 66 Pa. C. S. § 2208 (c), an applicant for a natural gas supplier license in the Commonwealth of Pennsylvania must furnish security to each utility where the supplier will do business to ensure the financial responsibility of such natural gas supplier. To this end, National Fuel Gas Distribution Corporation ("National Fuel") will perform a credit review and analysis of Green Mountain Energy Company ("GME") and determine at the appropriate time whether GME must post a security deposit acceptable to National Fuel in order to operate as a supplier on National Fuel's system.

GME's security requirement to serve Pennsylvania customers is dependent on the type of transportation service utilized by GME. There is no Natural Gas Supplier (NGS) security requirement for customers that will be enrolled in National Fuel's Purchase of Receivable (POR) program. As such, GME will not be required to post security for customers enrolled in the POR program. A security deposit will be required for transportation customers not enrolled in the POR program.

Should you have any questions concerning the above, please contact me at 716-857-7599.

Yours truly,

Dear Ms. Gibbons:

We are pleased that Green Mountain Energy Company has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples TWP, and Peoples Natural Gas LLC – Equitable Division ("the Companies").

Since Green Mountain Energy Company is not currently serving customers on the Peoples systems, we have determined at this time that Green Mountain Energy Company does not need a bond or other financial security requirement to provide these services to the Company's customers.

If a Pool is established, and customers are enrolled which alters the creditworthiness requirement or the Company's exposure to Green Mountain Energy Company provision of services on the Peoples' system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

Re: Security Requirement for Green Mountain Energy Corp.

Dear Ms. Gibbons:

Philadelphia Gas Works ("PGW") is aware that Green Mountain Energy Corp. has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works. You have stated that, in performing these services, Green Mountain Energy Corp. will take title to any delivered natural gas.

Under its tariff, Philadelphia Gas Works could require Green Mountain Energy Corp. to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate. Upon final approval of your application to PGW and prior to enrolling customers, security in the first year for firm pools will be required based on your estimated firm pool size. It will be updated annually based on actual firm pool size.

At this time, Green Mountain Energy Corp. does not need to post a bond or other form of security.

If you have any questions concerning the foregoing, please contact me at 215-684-6405.

RE: UGI Financial Security Requirements

Dear Ms. Cervenak,

UGI Utilities, Inc. ("UGIU") has reviewed the request of Green Mountain Energy ("GREEN MOUNTAIN") for approval to operate as a Natural Gas Supplier. Based on this review and the requirement that GREEN MOUNTAIN must post security as specified in the UGI Utilities, Inc.-Gas Division ("UGI"), UGI Penn Natural Gas, Inc. ("PNG") and/or UGI Central Penn Gas, Inc. ("CPG") Supplier Coordination Tariffs before it serves customers on the UGI, PNG and/or CPG distribution systems, UGIU has determined that GREEN MOUNTAIN has demonstrated adequate creditworthiness to satisfy any costs UGI, PNG and/or CPG may incur in the event they operate as a supplier of last resort due to a default on the part of GREEN MOUNTAIN.

This determination may change in the event there is a material deterioration in GREEN MOUNTAIN's financial condition, if GREEN MOUNTAIN's obligations to UGI, PNG and/or CPG exceed the amount of the financial security provided, if the financial security is withdrawn or is deemed to be null and void or inadequate due to the material financial deterioration of any guarantor, or if GREEN MOUNTAIN fails to abide by the terms and conditions of the UGI, PNG and/or CPG Gas Tariffs and the UGI, PNG and/or CPG Natural Gas Supplier Coordination Tariffs.

Please feel free to contact me with any additional questions that you may have. I can be reached at (610) 796-3520

Energy Acquisition is providing this notification letter that Green Mountain Energy has met the creditworthiness business requirement involved with the Pennsylvania Gas Choice - Low Volume Transportation program, pursuant to the receipt of an initial Surety of \$35,000.00 Guaranty. The Surety may be submitted to PECO via three acceptable forms; a Cash Deposit, a Letter of Credit, or a Surety bond. PECO will hold any surety to cover potential obligations to PECO and other system costs that could result from failure of a Supplier to meet its competitive Natural Gas Supply service delivery obligations.

Please note, although the creditworthiness requirements were met, as referenced within Section 7.13 (Creditworthiness of a Natural Gas Supplier (NGS) Serving Low Volume Transportation Customers) of the Gas Service Tariff, PECO has the right to re-assess the creditworthiness of the company if PECO has any reason to suspect a change in the marketer's financial condition.
