4. **COMPLAINT (check one)**

A. In general, what is your complaint?

- I want to oppose the company's proposed rate increase.
- There are incorrect charges on my bill.
- There is a reliability, safety or quality problem with my utility service.
- I received a notice that my utility service is being terminated.
- I would like a payment agreement.
- Other.** WE REQUESTED THE OPPORTUNITY TO BE PRESENT AT THE TESTING OF THE METER WHICH WAS DENIED US.
(explain)

B. State the facts of your complaint.

Include any specific dates, times or places that are important. If the complaint is about a bill, tell us about any charges that you believe are not correct. Use additional paper if you need more space. Provide copies of all relevant documents you believe will support your complaint. THE CHARGES THAT WERE IMPOSED WERE INCORRECT BECAUSE WE FELT THE METER WAS DEFECTIVE. WE REQUESTED THE METER BE TAKEN OUT AND TESTED IN OUR PRESENCE AND THAT WAS DENIED US. A NEW METER HAS BEEN PUT IN SUBSEQUENT TO THAT, AND THE CHARGES ARE MUCH LESS. THEREFORE, IT IS QUITE OBVIOUS THE METER WAS DEFECTIVE, BUT WE WERE NOT GIVEN THE OPPORTUNITY TO BE PRESENT DURING THE TESTING.

5. **RELIEF**

What do you want the Public Utility Commission to do about your complaint? Use additional paper if you need more space.

WE WANT OUR BILL ADJUSTED TO THE CORRECT RATE AND USE OF GAS AND SOME PUNISHMENT IMPOSED UPON DOMINION PEOPLES FOR THEIR NEGLECT IN NOT PERMITTING US TO BE PRESENT FOR THE TESTING OF THE METER.

6. PROTECTION FROM ABUSE

Answer the following question if your complaint is against a natural gas distribution company, an electric distribution company or a water company AND your complaint is about a billing problem, an application for service problem, a termination of service problem or a request for a payment agreement.

Has a court granted a "Protection from Abuse" order for your personal safety?

YES

NO

7. PRIOR UTILITY CONTACT

Answer the following question only if you are a residential customer and your complaint is against an electric distribution utility, natural gas distribution utility or a water distribution utility.

Have you spoken to a utility company representative about this complaint?

YES
(includes appeals of BCS determinations)

NO

If you tried to, but could not speak to a utility company representative about your complaint, please explain why.

8. VERIFICATION AND SIGNATURE

You must print or type your name below on the line provided for the verification paragraph, and you must sign and date (in ink) this form on the lines provided.

DEC 12 2005

FORMAL COMPLAINT NOTICE TO RESPONDENT TO ANSWER OR SATISFY

TO: PEOPLES NATURAL GAS COMPANY

TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1 You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Section 5.61. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq.; and, if

you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

3. If you elect to satisfy this complaint you must file, within twenty (20) days from the date on which this complaint is served, affidavits executed by each complainant that this complaint has been satisfied. Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. In the imposition of a penalty after a hearing the Administrative Law Judge is not bound by the relief sought by the complainant in paragraph 4 of the attached complaint.

3. Admitted.
4. As indicated on the attached Dominion Peoples Account Statement ("Exhibit A"), Complainant presently owes Dominion Peoples \$7,570.00. Complainant's account is a commercial account that was closed at Complainant's request.

Dominion Peoples acknowledges that Complainant requested that the meter at the at-issue property be removed and tested, with Complainant requesting to be present during the testing. On July 21, 2005 Dominion Peoples removed the meter from the property. Although Dominion Peoples advised its third party vendor for meter tests that the customer wished to view the meter testing, the meter was tested on July 29, 2005 without Complainant witnessing the test. Dominion Peoples learned of this error when contacting the vendor to set up a date on which the meter testing could occur with the customer present. As indicated on the attached meter test report ("Exhibit B"), the meter tested 1.10% fast, well within the acceptable levels of 2.0% fast or slow as set at 52 Pa. Code §59.21(f).

Recently, Complainant contacted the Commission's Bureau of Consumer Services ("BCS") seeking help with the issues addressed in the complaint. On November 26, 2005, the BCS rendered its decision ("Exhibit C"),

DOCKETED

JAN 24 2006

stating that Complainant's meter tested well within the acceptable levels of 2.0% fast or slow as set at 52 Pa. Code §59.21(f). As this is a final, commercial account, the BCS could not establish a payment arrangement for the outstanding arrearage.

5. Dominion Peoples requests that Complainant be directed to pay the entire outstanding account balance in full.
6. Unknown to Respondent.
7. Admitted.

Respectfully submitted,
