3. What is your complaint?

Since Nov 1 2001 I've had one less person in
the home; however for the past few mo after
that time. The budget had been 122.00 for 10yrs.
then my budget went to \$197.00 I paid this amount
for months having to work 2 jobs The change
seemed drastic. I had one less person plus had new
windows placed by the complex to trap cold air.
this included new double door windows instead of saving
money by 1 less person + new windows my budget was
raised from 122.00 mo to 197.00 mo. I would

I don't understand.

4. What do you want the Public Utility Commission to do about your complaint?

Please investigate the reason for this drastic increase over this period of time. Changes occurred in the household which should have lowered my energy spending instead drastically increased my energy spending ???

Dear Sir, and or Mrs or Miss,

I wish to express this unshared complaint decision. I requested several times for an appointment to investigate this matter with no reply. One time a year later an appointment was requested through the convenience of only the PPH company manager and I could not make an appointment at that time.

I am a nurse with a schedule designed on 6 week blocks. My schedule was full. I also told the gentleman requesting the appointment my son was in a serious car accident the same week he requested this appointment and told him I would return the call when things settled down and I was less stressed and had time to breathe. He immediately filed a complaint back to you.

I am strongly appealing this decision and wish to have the investigation continue.

Thank you
Sincerely yours,
Pamela

FORMAL COMPLAINT NOTICE TO RESPONDENT TO ANSWER OR SATISFY

TO: PPL ELECTRIC UTILITIES CORPORATION

TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

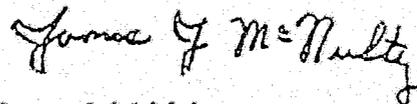

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Section 5.61. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

3. If you elect to satisfy this complaint you must file, within twenty (20) days from the date on which this complaint is served, affidavits executed by each complainant that this complaint has been satisfied. Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. In the imposition of a penalty after a hearing the Administrative Law Judge is not bound by the relief sought by the complainant in paragraph 4 of the attached complaint.

SECRETARY'S BUREAU

ANSWER OF PPL ELECTRIC UTILITIES CORPORATION

PPL Electric Utilities Corporation (PPL), by its attorney, hereby Answers the Complaint in the above-captioned proceeding as follows:

DOCKETED
DEC 22 2003

1. Admitted.

2. Admitted.

3. Admitted in part, denied in part. After reasonable investigation, PPL is without sufficient information to form a belief as to the truth or falsity of Complainant's allegation that since November 1, 2001, one less person has been residing in Complainant's home.

PPL denies that Complainant's budget had been \$122.00 for ten years and thereafter increased to \$197.00. From March 2000 through November 2003, Complainant's budget billing was adjusted based upon actual prior usage and fluctuated between \$125.00 and \$199.00. By way of further response, PPL has billed Complainant for only actual usage.

After reasonable investigation, PPL is without sufficient information to form a belief as to the truth or falsity of the allegations alleging the number of individuals living in the residence, the

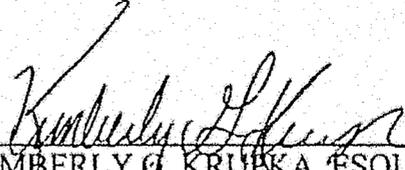

replacement of windows, and expected energy savings. All other allegations of the Complaint are denied.

4. Paragraph 4 constitutes a request for relief to which no Answer is required. To the extent a response is required, PPL incorporates by reference herein the averments set forth in its Answer to Paragraph 3 of the Complaint.

WHEREFORE, in view of the foregoing, PPL respectfully requests that the Commission deny the above-captioned Complaint.

Respectfully submitted,
