INTERIM ORDER
SETTING RESOLUTION CONFERENCE

On or about May 7, 2007, Walter L. & Evelyn B. Wolfe ("Complainants") filed complaints against AT&T Communications of Pennsylvania, LLC, and MCI Communications Services, Inc. ("Respondents"), at the above-captioned docket numbers. Respondents filed answers to the complaints on June 29, 2007 and June 22, 2007, respectively.

Based upon a review of the information contained in this material, the parties are hereby directed to attempt to resolve these matters themselves. Respondents shall jointly contact Complainants no later than July 30, 2007, to set a mutually convenient time, date and place for Respondents and Complainants to hold a conference about resolving the case. The conference must take place no later than August 13, 2007, unless this is not possible.

Within ten (10) days following the conference, either or both Respondent(s) shall file a short report with Bruce Bigelow ("Mediator"), setting forth:

RECEIVED

JUL 9 2007

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

- (a) The time, date and place of the conference;
- (b) Who participated for each party;
- (c) A statement whether a full resolution, including withdrawal of complaints, was achieved, and, if not, whether the parties consent to have these cases set for mediation by the mediation staff of the Commission; and
- (d) A statement of any issues which have been resolved, if a full resolution was not achieved.

The Commission encourages mediation if the parties cannot reach an agreement through the resolution conference. Mediation is an informal process in which the parties attempt to resolve the case with the help of a mediator. The mediator is a neutral staff member of the Commission who does not give advice, represent any party, evaluate or make a decision. Instead, the mediator assists the parties in their efforts to come to an agreement.

If the parties do not reach an agreement on their own, and do not consent to mediate, they are entitled to have a hearing. The hearing process usually includes the presentation of oral testimony and other evidence before a Commission administrative law judge, who will then consider the case and make a written decision to resolve it.

If it is not possible to have the conference by the date set for that purpose, either or both Respondent(s) shall file a report with the Mediator, on or before ten (10) days following the conference due date, giving the reason(s) why the due date could not be met.

In either situation, Respondent(s) must file a report with the Mediator by the applicable due date set forth above.

If you have any questions, you should contact the Mediator. His address and phone number are:
