TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17120, an answer (original and two copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

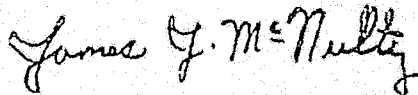

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Section 5.61. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes

a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

3. If you elect to satisfy this complaint you must file, within twenty (20) days from the date on which this complaint is served, affidavits executed by each complainant that this complaint has been satisfied. Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. MEDIATION**

Dear Mr. McNulty:

**ANSWER OF VERIZON PENNSYLVANIA INC.
TO THE COMPLAINT OF JAMES & ALEXIA KUNKLE**

Verizon Pennsylvania Inc. ("Verizon PA"), by its attorneys in this proceeding, Malatesta Hawke & McKeon LLP, hereby submits its Answer to the Formal Complaint filed by James & Alexia Kunkle ("Complainant"). In support thereof, Verizon PA represents and avers as follows:

1. ADMITTED.
2. ADMITTED. The correct corporate name of the Respondent is Verizon

Pennsylvania Inc.

3. Verizon PA ADMITS that it has received trouble reports from customers who live in the Complainant's vicinity concerning crossed lines and outages. Verizon PA has conducted extensive testing of its facilities, and has undertaken various repair efforts to restore telephone service in response to these trouble reports. Verizon PA is without sufficient information or knowledge to either ADMIT or DENY the Complainant's allegations about the frequency and duration of specific service problems and, accordingly, demands strict proof thereof at hearing. By way of further response, Verizon PA is currently in the process of completely replacing the

These facility replacements and upgrades should completely address and correct the problems described in the Formal Complaint.

4. Paragraph 4 of the Complaint contains requests for relief to which no responses are required.

WHEREFORE, for the reasons set forth above, Verizon PA Inc. respectfully requests that the Formal Complaint filed by James & Alexia Kunkle at Docket No. C-20016337 be dismissed or denied in its entirety. Alternatively, Verizon PA requests that this proceeding be referred to the Commission's mediation process to enable the parties to attempt to resolve this matter informally, based on the actions Verizon PA has initiated in response to the complaint.

**MOTION OF VERIZON PENNSYLVANIA INC. TO CONSOLIDATE
THE ABOVE-CAPTIONED FORMAL COMPLAINT PROCEEDINGS**

Verizon Pennsylvania Inc. ("Verizon PA") by its attorneys in this matter, Malatesta Hawke & McKeon LLP, and pursuant to 52 Pa. Code § 5.81, hereby files this Motion to Consolidate the above-captioned Formal Complaints for purposes of hearing and decision. In support thereof, Verizon PA represents as follows:

1. Each of the above-captioned Formal Complaints was filed against Verizon PA with the Pennsylvania Public Utility Commission ("Commission"). Verizon PA has filed an answer to each Complaint on this date.

2. Each of the above-captioned Formal Complaints primarily involves allegations of telephone outages and disruptions in service. Additionally, each Complaint seeks, by way of relief, that Verizon PA be directed to undertake the actions necessary to correct the problems complained of.

3. All of the Complainants live in the same vicinity, and all are served by the same Verizon PA central office. Additionally, all of the Complainant's are served by the same telephone cable that connects them to their central office.

4. As indicated in its answers to the complaints, Verizon PA is in the process of completely replacing the cable that connects these customers to their Verizon PA central office. In addition, Verizon PA will be upgrading certain other facilities that serve these customers. Verizon PA anticipates that these replacements and upgrades will completely address and resolve the problems raised in the complaints.

3. The Commission's regulation at 52 Pa. Code § 5.81 provides that separate proceedings may be consolidated if they involve common issues of fact and law. All of the above-captioned Formal Complaints involve nearly identical allegations, and they all contain nearly identical requests for relief. As described above, all of the Complainants are served by the same central office and cable facilities. It is highly likely that any problems found with the facilities serving these customers, if any, will be common to each Complainant.

4. Each of these proceedings involve the same issues of fact and law. Accordingly, the above captioned Complaint proceedings should be consolidated for hearing.

4. Consolidation of these matters will not prejudice any individual Complainant. Each Complainant will still have a full opportunity to present evidence in support of the allegations raised in his/her complaint, and each will have a full opportunity to state on the record the reasons underlying that individual's specific request for relief.

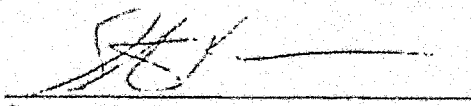

WHEREFORE, for the reasons set forth above, Verizon Pennsylvania Inc. respectfully requests that the above-captioned Formal Complaint proceedings be consolidated into one proceeding for purposes of hearing and decision.
