REGINA AND CHARLES WISNIEWSKI :

INTERIM ORDER
SETTING RESOLUTION CONFERENCE

On or about November 1, 2004, Regina and Charles Wisniewski ("Complainants") filed a complaint against Philadelphia Gas Works ("Respondent"), at the above-captioned docket number. On or about December 10, 2004, Respondent filed an answer to the complaint.

Based upon a review of the information contained in this material, I direct the parties to attempt to resolve this matter themselves. Respondent shall contact Complainants no later than December 30, 2004, to set a mutually convenient time, date and place for Respondent and Complainants to hold a conference about resolving the case. The conference must take place no later than January 13, 2005, unless this is not possible.

Within ten (10) days following the conference, Respondent shall file a short report with Herbert R. Nurick ("Mediator"), setting forth:

- (a) The time, date and place of the conference;
- (b) Who participated for each party;
- (c) A statement whether a full resolution, including withdrawal of complaint, was achieved, and, if not, whether the parties consent to have this case set for mediation by the mediation staff of the Commission; and
- (d) A statement of any issues which have been resolved, if a full resolution was not achieved.

The Commission encourages mediation if the parties cannot reach an agreement through the resolution conference. Mediation is an informal process in which the parties attempt to resolve the case with the help of a mediator. The mediator is a neutral staff member of the Commission who does not give advice, make a decision, or represent any party. Instead, the mediator assists the parties in their efforts to come to an agreement.

If the parties do not reach an agreement on their own, and do not consent to mediate, they are entitled to the hearing process. The hearing process usually includes the presentation of oral testimony and other evidence before a Commission administrative law judge, who will then consider the case and make a written decision to resolve it.

If it is not possible to have the conference by the date set for that purpose, Respondent shall file a report with the Mediator, on or before ten (10) days following the conference due date, giving the reason(s) why the due date could not be met.

In either situation, Respondent must file a report with the Mediator by the applicable due date set forth above.

If you have any questions, you should contact the Mediator. His address and phone number are:
