ORDER REGARDING OFFICIAL OR
JUDICIAL NOTICE

Pursuant to 52 Pa. Code §5.408, I intend to take official or judicial notice of the REACT Alarm Transport Service informational tariff attached to the Answer and New Matter filed by respondent Verizon Pennsylvania, Inc. As Verizon filed a Preliminary Objection, rather than a motion for judgment on the pleadings as provided in 52 Pa. Code §5.102, this notice is necessary as Verizon failed to attach the tariff to its Preliminary Objection.

I have verified that the informational tariff extract concerning that service is the tariff currently filed with the Commission and therefore am providing, through this order, an opportunity for any party to show that the facts are not properly noticed or that alternative facts should be noticed.

THEREFORE,

IT IS ORDERED:

1. That on or before April 3, 2007, a party may file and serve an objection to this proposed official or judicial notice; and

DOCKETED
MAR 29 2007

2. That if no objection is filed and served by that date, the informational tariff relating to the REACT Alarm Transport Service attached to Verizon's Answer and New Matter shall be made part of the record in this proceeding.

Date: March 26, 2007
