Addendum to formal Complaint
section #4-B (state the facts of your complaint)

This situation all began when tenant on first floor Apt. #1 moved out the access to the basement was either through the first floor apt. or outside through a basement door. 2nd Floor tenant complained that going outside to gain access to basement was objectionable. I recognized this as a legitimate problem and allowed the door of apt 1 to remain open. She then complained of the darkness in first floor apt. because electricity on apt. 1 was shut-off. As a favor I had the circuits serving 1st floor attached to her box, which would allow light to enter apt + access basement stairs. This arrangement was fine until the rent was not paid and a judgement was brought against her. She then called all the servicing utilities complaining to each one including Psg. Light. I consider this evasive action to avoid paying the judgement. also tenant resided in apt #2 for eight years until the \$1600.00 judgement was assessed.

Sincerely, Theodore R. Thomas

FORMAL COMPLAINT NOTICE TO RESPONDENT TO ANSWER OR SATISFY

TO: DUQUESNE LIGHT COMPANY

TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

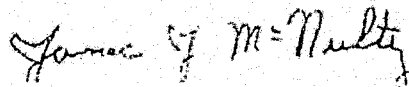

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Section 5.61. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq.; and, if

you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

3. If you elect to satisfy this complaint you must file, within twenty (20) days from the date on which this complaint is served, affidavits executed by each complainant that this complaint has been satisfied. Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. DOCKETED

NOV 09 2006

ANSWER

TO THE HONORABLE COMMISSION

AND NOW comes the Respondent, Duquesne Light Company, by and through its attorney, Regina M. Sestak, and files the within Answer of which the following is a statement:

1. Admitted.
2. Admitted.
3. Admitted.

**DOCUMENT
FOLDER**

4. A. Complainant's averment, "[t]here are incorrect charges on my bill," is denied. On the contrary, as will be discussed more fully below, Respondent has billed Complainant in accordance with its tariff and applicable law.

B. Complainant's averment that Respondent alleges that his tenant complained that services being paid by her were supplying other parts of a

duplex house is denied as stated. By way of further response, service to the first floor of 7244 Idlewild Street, Pittsburgh, PA had been provided through Account No. 7000068885002 until January 11, 2005, when it was cancelled at the request of the ratepayer, who indicated that she was moving out. On October 13, 2005, an individual who identified herself as the ratepayer for the second floor account contacted Respondent concerning usage in the first floor apartment. Because Respondent's records confirmed that no service was being provided to said first floor apartment, Respondent initiated an investigation. On October 25, 2005, Respondent's field service representative visited the premises and found the first floor apartment, hall and porch lights were connected to the second floor tenant's service; the first floor service was off.

Complainant's averment, "light company immediately puts her service in my name," is denied. On the contrary, Respondent contacted Complainant on October 26, 2005, and explained that "Act 54" (as the 1993 amendment to the landlord tenant provisions of the Public Utility Code is known, 66 Pa. C.S. §1929.1) requires that electric service to a dwelling unit that is not individually metered be billed to the property owner. Respondent also advised Complainant that he could avoid having service billed to him if he corrected the situation within 10 days. Complainant did not contact Respondent to indicate that the condition had been corrected and, on November 8, 2005, Respondent initiated Account No. 3000421064012 in Complainant's name, effective retroactively to October 10, 2005, which was the meter reading date immediately preceding the condition being reported to Respondent.

As it is unclear to whom Complainant is referring as "they" in his averment, "I called them to explain why," after reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of this averment, and it is therefore denied.

It is unclear what "changes" Complainant is referring to in his averment, "made the necessary changes," therefore, after reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of this averment and it is therefore denied.

As it is unclear what company Complainant is referring to as "that company" in his averment, "I then called that company within the next few day to inform them that the changes had been," after reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of this averment and it is therefore denied. By way of further response, Respondent has no record that Complainant ever notified it that the condition had been corrected.

Complainant has attached a one-page document labeled "Addendum to formal Complaint section #4B (stated the facts of your complaint)," which he apparently intends to incorporate into his complaint. Said document will be addressed below under the heading Attachment.

5. This paragraph contains a request for relief to which no response is required.

6. After reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of Complainant's

averment that the court has not granted a "Protection from Abuse" order for his personal safety, and this averment is therefore denied.

7. Admitted.

8. No response is required to Complainant's verification and signature.

9. Complainant's averment, "NA" is apparently intended to mean that he is not represented by an attorney in this matter. If so, this averment is admitted to the extent that Respondent is not aware of any attorney having entered an appearance for Complainant in this matter.

Attachment:

Complainant has attached a one-page hand-written document labeled "Addendum to Formal Complaint section # 4-B (State the facts of your complaint)," to which Respondent responds as follows.

After reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of Complainant's averments regarding the beginning of the situation and access to the basement, and these averments are therefore denied.

Complainant's averment, "I recognized this as a legitimate problem," is a statement of opinion to which no response is required.

After reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of Complainant's averments that he allowed the door of apt 1 to remain open and that the tenant complained of the darkness of the first floor apartment because the electricity in Apartment 1 was shut off, and these averments are therefore denied.

Complainant's averment, "as a favor," is a statement of opinion to which no response is required.

Complainant's averment that he had the circuits serving the first floor attached to the tenant's box is admitted. By way of further response, as noted above, service to the first floor apartment, hall, and porch lights were connected to the second floor tenant's service.

After reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of Complainant's averment, "which would allow light to enter apt. 1 & access basement stairs," and this averment is therefore denied.

Complainant's averment that the arrangement was fine until the rent was not paid and a judgment was brought against the tenant is a statement of opinion to which no response is required.

After reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of Complainant's averment, "she then called all the servicing utilities complaining to each one," and this averment is therefore denied.

Complainant's averment that his tenant complained to Respondent is admitted.

Complainant's averment, "I consider this evasive action to avoid paying the judgment," is a statement of opinion to which no response is required.

After reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of Complainant's averment that his tenant resided in Apt #2 for eight years, and this averment is

therefore denied. By way of further response, the tenant in Apartment #2 established service in her name effective March 27, 1996.

Complainant's averment, "until the \$1600.00 judgment was assessed," is a statement of opinion to which no response is required.

No response is required to the closure "Sincerely."

No response is required to Complainant's signature.

WHEREFORE, Respondent requests that after reasonable investigation and hearing the Complaint be dismissed.

Respectfully submitted.
