PREHEARING ORDER

**DOCUMENT
FOLDER**

An initial telephonic hearing in this case is scheduled for Thursday, June 23, 2005 at 10:00 a.m. Accordingly, the parties are hereby directed to comply with the following requirements:

1. If you intend to present any documents or exhibits for my consideration, you must send one (1) copy to the other party and three (3) copies to me one week before the hearing. Be sure that you serve me directly with a copy of any document that you file in this proceeding at the time of filing. If you send me any correspondence or document, you must send a copy to all other parties. For your convenience, a copy of the Commission's current service list of the parties to this proceeding is enclosed with this Order.

2. If you or any proposed witness will be at a telephone number that is different than the number on the hearing notice, you must notify me of that telephone number at least one (1) week before the hearing.

3. A request for a change of the scheduled hearing date must be submitted in writing no later than five (5) days prior to the hearing. 52 Pa. Code §1.15(b). Requests for changes of initial hearings must be sent to the undersigned Administrative Law Judge, 1103 Pittsburgh State Office Building, 300 Liberty Avenue, Pittsburgh, PA 15222. Only the undersigned Administrative Law Judge or OALJ Scheduling Staff may grant a request for a

RJP

change of an initial hearing. Such changes are granted only in rare situations where sufficient cause exists. Requests for changes of subsequent hearings, if any, should also be served directly on me.

4. **YOU MAY LOSE THIS CASE, IF YOU DO NOT TAKE PART IN THIS HEARING AND PRESENT EVIDENCE ON THE ISSUES RAISED.**

5. ALTHOUGH THIS HEARING IS BEING CONDUCTED TELEPHONICALLY FOR THE CONVENIENCE OF THE PARTIES, IT IS STILL A FORMAL HEARING AND WILL BE CONDUCTED IN ACCORDANCE WITH THE COMMISSION'S RULES OF PRACTICE AND PROCEDURE.

6. Pursuant to 52 Pa. Code §§1.21 & 1.22, you may represent yourself, if you are an individual, or you may have an attorney represent you. However, if you are a partnership, corporation, trust, association or governmental agency or subdivision, you must have an attorney represent you in this proceeding. Unless you are an attorney, you may not represent someone else.

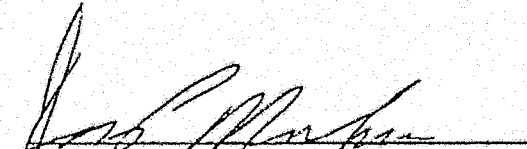

7. The Complainant bears the burden of proof in this proceeding and must show by a preponderance of the evidence that the Respondent has violated the Public Utility Code or a regulation or an Order of this Commission so that the Complainant is entitled to the relief requested in the complaint.

8. If you intend to subpoena witnesses for the hearing, you should review the procedures established in 52 Pa. Code §5.421. You must submit your written application to me sufficiently in advance of the hearing date so the other parties will have the required ten (10) days' notice to answer or object, and so you will have enough time to receive the subpoena and serve it.

9. Any party may conduct discovery to learn the factual basis of another party's position in this case. However, 52 Pa. Code §5.331(b) provides, in relevant part, that "[a] participant shall endeavor to initiate discovery as early in the proceedings as reasonably possible." Additionally, 52 Pa. Code §5.322 provides, in relevant part, that "participants are encouraged to exchange information on an informal basis." All parties are urged to cooperate in informal information exchanges and in conducting discovery. Cooperation is preferable to disagreements, which require my participation to resolve. There are limitations on discovery (52 Pa. Code §5.361) and sanctions for abuse of the discovery process (52 Pa. Code §§5.371 & 5.372).

10. Commission policy is to encourage settlements. 52 Pa. Code §5.231(a). Therefore, you are urged to discuss informally between yourselves the possible settlement of this case at least one week before the hearing. If you are unable to settle this case, you may still resolve as many questions or issues as possible during your informal discussion.

MOTION OF PENNSYLVANIA ELECTRIC COMPANY
FOR A CONTINUANCE AND IN-PERSON HEARING

TO ADMINISTRATIVE LAW JUDGE ROBERT P. MEEHAN:

Pennsylvania Electric Company ("Penelec" or the "Company") hereby files the following Motion for a Continuance and In-Person Hearing, in accordance with Section 1.15 of the Pennsylvania Public Utility Commission's ("Commission") regulations, 52 Pa. Code §1.15, and avers as follows:

1. On or around November 18, 2004, Penelec was served with seven individual complaints filed by David J. Samick, Roger Van Tassell and Edward and Dolores Carr and four other parties ("Complainants") against the Company. Complainants are neighbors residing on Julia drive in Lake City, Pennsylvania, and the allegations in their complaints all related to the same power outage that occurred in September of 2004 due to Hurricane Frances.
2. On or around December 9, 2004, Penelec filed timely Answers and New Matters and Motions to Dismiss.
3. The Commission has not ruled on any of the motions to dismiss, which relate to the Commission's lack of jurisdiction to award money damages and in the case of Complainant Samick, addresses the issue of standing.

DOCKETED
JUL 13 2005

**DOCUMENT
FOLDER**

4. By Interim Order dated December 17, 2004, the Chief Administrative Law Judge assigned the matter to the Informal Resolution Conference Process. Through this process, the Company was able to amicably resolve four of the seven complaints.

5. However, on May 19, 2005, it was necessary for Penelec counsel to inform mediator Herbert R. Nurick via letter that the Company was unable to amicably resolve the complaints of David J. Samick, Roger Van Tassell and Edward and Dolores E. Carr. Therefore, counsel requested that the matter be reassigned to the Office of Administrative Law Judge for hearing.

6. Due to the nature of the evidence that Penelec intends to present at hearing (Penelec plans to present audio evidence via a CD recording and is concerned that such evidence will not be audible via telephone), Penelec requested an in-person hearing in this matter.

7. On May 25, 2005, counsel for Penelec received a hearing notice scheduling this matter for a Telephonic Hearing before Your Honor on Thursday, June 23, 2005 at 10.00 a.m.

8. On May 27, 2005, Penelec propounded Interrogatories and Requests for Production of Documents (Set I) ("Discovery Requests") on Complainants. Responses are due on or before Thursday, June 16, 2005.

9. Because Penelec has not been provided with sufficient time to conduct full and complete discovery between the time that the mediation efforts concluded and the time that the hearing was scheduled, the Company believes that good cause exists to grant the request for a continuance of the hearing in this matter.

10. In a good-faith attempt to amicably resolve the complaints, Penelec did not conduct formal discovery during the settlement process. Presently, Complainants' responses to the Discovery Requests are due only one week before hearing, which, pursuant to the Prehearing Orders issued in this matter, is the same day that exhibits are due. Even assuming that Complainants respond to the discovery requests in a timely manner, this time frame does not allow Penelec sufficient time to review the responses to its Discovery Requests prior to a hearing, to issue any follow-up discovery that it deems necessary, and to prepare its case accordingly.

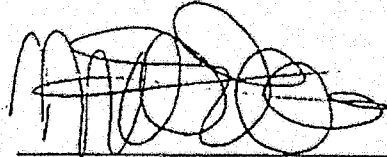

11. Discovery is an important tool in the litigation process. Through discovery, Penelec is attempting to further evaluate the allegations raised in the pleadings and ascertain the nature and extent of the testimony and witnesses that Complainants intend to offer at hearing. Thus, any deprivation of the opportunity to conduct full and complete discovery in this matter is highly prejudicial to Penelec.

12. Therefore, Penelec requests that Your Honor postpone the scheduled hearing for 30 days in order to allow the Company sufficient time to review the responses to its Discovery Requests prior to a hearing, to issue any follow-up discovery that it deems necessary, and to prepare its case accordingly.

13. Due to a CD audio recording that Penelec intends to present at hearing (discovery may require the presentation of additional evidence), Penelec reiterates its request for an in-person hearing in this matter. Therefore, Penelec requests that Your Honor convert this matter to an in-person hearing.

WHEREFORE, Pennsylvania Electric Company requests that the Presiding Administrative Law Judge grant the Company's request for a continuance, grant the request to convert that matter to an in-person hearing, and grant any other relief as is just and reasonable under the circumstances.

Respectfully submitted,

PENNSYLVANIA ELECTRIC COMPANY:

**MOTION OF PENNSYLVANIA ELECTRIC COMPANY TO COMPEL
RESPONSES TO DISCOVERY REQUESTS AND REQUEST FOR
CONTINUANCE**

TO ADMINISTRATIVE LAW JUDGE ROBERT P. MEEHAN:

Pennsylvania Electric Company ("Penelec" or the "Company") hereby files the following Motion to Compel and Request for Continuance, in accordance with the Pennsylvania Public Utility Commission's ("Commission") regulations at 52 Pa. Code §§ 5.103 and 5.342 and in connection therewith, represents as follows:

I. INTRODUCTION

1. This Motion seeks to compel responses from David J. Samick, Roger Van Tassell and Edward and Dolores Carr ("Complainants") as a result of their failure to provide responses to Penelec's Interrogatories and Requests for Production of Documents, Set 1 ("Discovery Requests") served individually on Complainants.

2. As a result of the Complainants' failure to respond to the Discovery Requests, Penelec has been prejudiced in the preparation and possible defense of its case.

3. Because of the Complainants' failure to comply with clear Commission regulations pertaining to discovery, Penelec requests that the Presiding Officer postpone the hearing scheduled for August 4, 2005 and direct Complainants to

DOCKETED
JUL 29 2005

**DOCUMENT
FOLDER**

submit full and complete responses to Penelec within 10 days of the issuance of an order granting this Motion in order to allow the Company sufficient time to review the responses to its Discovery Requests prior to a hearing, to issue any follow-up discovery that it deems necessary, and to prepare its case accordingly.

4. In the event the Complainants fail to provide full and complete responses to the Discovery Requests as directed by the Presiding Officer, Penelec requests that Your Honor indicate in the order compelling responses that testimony on any and all issues raised in the Discovery Requests will be barred from the record.

II. BACKGROUND

5. On or around November 18, 2004, Penelec was served with individual complaints filed by Complainants¹ against the Company. Complainants are neighbors residing on Julia Drive in Lake City, Pennsylvania, and the allegations in their complaints all relate to a power outage that occurred in September of 2004 due to Hurricane Frances.

6. On or around December 9, 2004, Penelec filed timely Answers and New Matters and Motions to Dismiss.

7. The Commission has not ruled on any of the motions to dismiss, which relate to the Commission's lack of jurisdiction to award money damages and in the case of Complainant Samick, addresses the issue of standing.

¹ Penelec was originally served with seven complaints. However, four of the Complainants agreed to withdraw their complaints.

8. By Interim Order dated June 20, 2005, the Presiding Officer granted Penelec's request for a 30-day continuance of the hearing that was originally scheduled for June 23, 2005 in this matter.² The Presiding Officer also granted Penelec's request for an in-person hearing.

9 By Hearing Notice dated June 23, 2005, the hearing in this matter was re-scheduled for August 4, 2005 at 10:00 a.m. before Your Honor.

III. NATURE OF DISPUTE

10. In an attempt to ascertain the nature and extent of the testimony and witnesses the Complainants intend to offer at hearing, Penelec propounded Discovery Requests, individually, to the Complainants on May 27, 2005, in accordance with the Commission's regulations at 52 Pa. Code § 5.341. The Discovery Requests were forwarded via overnight mail to the Complainants. Attached to this Motion as Exhibits A, B and C are copies of the Discovery Requests propounded on the Complainants.

11. Under the Commission's rules, Complainants' responses to the Discovery Request were due on or before June 16, 2005.

12. On June 22, 2005, counsel for Penelec sent via overnight mail individual letters to Complainants informing them that the Company had yet to receive their discovery responses. Penelec further advised that if it did not receive responses to its Discovery Requests by the close of business on Monday, June 27, 2005, Penelec would file a Motion to Compel with the Presiding Officer.

² Good cause existed for the continuance because Penelec was not provided with sufficient time to conduct full and complete discovery between the time that mediation efforts concluded (May 19, 2005) and the originally-scheduled hearing date (June 23, 2005).

13. To date, Penelec has not received any responses from the Complainants to the Discovery Requests nor to the follow-up letter.

IV. SPECIFIC HARM TO PENELEC

14. In an attempt to further substantiate the allegations raised in the pleadings and in an attempt to ascertain the nature and extent of the testimony and witnesses that Complainants intend to offer at hearing, Penelec propounded Discovery Requests on Complainants in accordance with the Public Utility Code and the Commission's regulations.

15. Under the Commission's rules, Penelec is entitled to receive full, complete and timely responses to its Discovery Requests. 52 Pa. Code §§ 5.341, 5.342 and 5.349.

16. The Complainants' failure to provide any answers to Penelec's outstanding Discovery Requests is highly prejudicial to Penelec. Because the Complainants have the ultimate burden of proof in this proceeding, they are obligated to substantiate the allegations raised in their Complaints. With this concept in mind, Penelec's Discovery Requests were intended to determine, among other things, the nature and extent of the Complainants' claims and allegations raised in their complaints. Thus, in order to evaluate the claims and allegations raised in the Complaint, it is critical that Penelec understand the nature and extent of the testimony and witnesses the Complainants plan to present at the scheduled hearing.

17. The Company has been attempting in good faith to develop a defense to the Complainants' allegations. Because the Complainants have failed to provide any responses to Penelec's outstanding Discovery Requests, Penelec has been

unable to develop a definitive defense, given that the Company does know what specific information the Complainants plan to present. In this respect, the Company has been prejudiced in the preparation of its defense.

18. Discovery is an important tool in the litigation process and as such, the Complainants should not be permitted to blatantly disregard the discovery process and the Commission's regulations on discovery.

V. REQUESTED RELIEF

19. This Commission's regulations at 52 Pa. Code § 5.342 (d) and (e) require participants to respond to discovery requests in a timely and adequate manner and authorizes the presiding ALJ, upon motion, to direct a party to answer discovery requests.

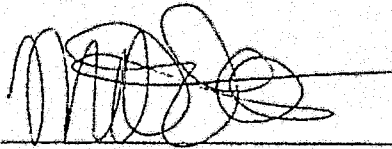

20. Because of the Complainants' clear violation of the Commission's discovery regulations, the Complainants must be compelled to respond to Penelec's Discovery Requests immediately.

21. Accordingly, Penelec requests that the Presiding Officer postpone the scheduled hearing and direct the Complainants to answer the Discovery Requests within 10 days of the issuance of an order granting this Motion. In the event that the Complainants do not provide full and complete responses to the Discovery Requests, Penelec requests that the Presiding Officer bar the Complainants from introducing any and all testimony on any issues raised in the Discovery Requests.

WHEREFORE, Pennsylvania Electric Company requests that the Presiding Administrative Law Judge postpone the scheduled hearing and direct the Complainants to respond to the Discovery Requests as specified herein and grant the Company any other relief as is just and reasonable under the circumstances.

Respectfully submitted,
