ENCLOSED PLEASE FIND THE FOLLOWING: TWENTY PECO NOTICES, ONE LETTER FROM MJ ELECTRIC, ONE PECO CLAIM REGISTRATION AND LETTER, ONE PUBLIC UTILITY COMMISSION LETTER, AND ONE INVOICE FROM INFO SYSTEM. THE FOLLOWING BRIEFLY EXPLAINS THE PROBLEM.

- WHITEHILL RECEIVED TWENTY NOTICES FROM PECO FOR SCHEDULED POWER OUTAGE.

- WHEN POWER AND PHONES WERE RESUMED THE POWER UNIT FOR THE PHONES WAS BROKEN.

WHITEHILL MANUFACTURING CAN NOT OPERATE WITHOUT TELEPHONES. I WOULD GREATLY APPRECIATE YOUR HELP AND UNDERSTANDING IN RECOGNIZING THE FINANCIAL COST INCURRED BY WHITEHILL THROUGH PECO'S OUTAGE. IT IS TRULY UNREASONABLE THAT PECO HOLDS ITSELF BLAMELESS THROUGH MJ ELECTRIC.

WHITEHILL EXPERIENCED A SECOND POWER OUTAGE A FEW DAYS INTO JUNE. A RAINSTEM, UNTIDY WORKMANSHIP AND TREE LIMBS CAUSED THE POWER OUTAGE. I CALLED PECO, JIM GROW MAINTAINED IT WAS NOT UNUSUAL AND AGAIN UNLUCKY FOR WHITEHILL.

THANK YOU FOR READING THIS. I TRUST YOU WILL HELP WITH THE COST FOR THE DAMAGED TELEPHONES.

Dear Mrs. Whitehill

This is in response to the informal complaint you filed with the Bureau of Consumer Services concerning PECO Energy Company. Briefly, your complaint was that PECO Energy is responsible for damages to your property as the result of voltage interruption on May 31, 2005. I was in touch with PECO Energy on your behalf in an effort to confirm that it was aware of your concern. The company reported to me that they have denied your claim. The company reports the service interruption on May 31, 2005 should not have caused any damage at the Plant. No other equipment was affected other than the phone equipment report from Whitehill Manufacturing. MJ Electric interviewed the field forces and reviewed the matter with their Operational Manager and they found no indication of any problem. They checked the voltage at the transformer and the voltage normal. They found no indication of any power problems associated with the interruption and return of service.

Unfortunately, there is little more I can do to help you in resolving this matter since the PUC does not have jurisdiction over monetary damages. The Commission's essential responsibility in this matter is assuring adequacy of delivered service. This could include in some instances an assurance that the company restores damaged property back to a reasonable condition that existed prior to the incident that caused the damage. If the company has done that, then it is generally considered to have met its burden of providing adequate service. If it has not, the Commission can intercede on your behalf to get the company to restore your property to a reasonable condition.

However, if you are anticipating a monetary damage payment, you would have to pursue that issue through the civil court process. The Commission cannot award damages, regardless of its determination of the adequacy of service issue. I would like to point out that it may be helpful to have that determination prior to pursuing the monetary damages portion of your complaint and, as a result, you may want to consider filing a formal complaint. Of course, the burden of proof would be yours - you would have to prove that the company failed in its obligation to deliver adequate service and that the end result was that the company acted inappropriately.

The above may sufficiently respond to your concerns. If that is not the case, however, you would have to pursue your damages claim through a civil court process. If you wish to challenge this position, or if you wish to get a formal ruling on quality of service, you could do that by filing a formal complaint with the PUC. If you are interested in doing that, please call me at 1-800-782-1110 and I will send you the necessary formal complaint forms.

Finally, by this letter, I am closing the informal complaint you had pending with this Bureau.

Sincerely,

Barbara Barbush

TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. DOCKETED

PECO ENERGY COMPANY'S MOTION TO DISMISS COMPLAINT

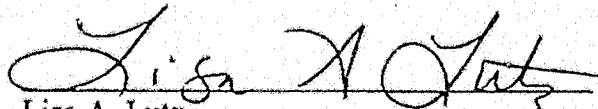

Respondent, PECO Energy Company ("PECO"), pursuant to 52 Pa. Code § 5.101 respectfully petitions this Honorable Commission to dismiss the instant Complaint for the following reasons:

1. On or about February 9, 2006, Complainant filed a formal complaint with the Pennsylvania Public Utility Commission for an award of damages from an alleged equipment damage claim for this business.
2. On or about March 2, 2006, PECO Energy was served the above-mentioned formal Complaint.
3. In its formal complaint, Complainant requested payment for equipment damages involving an alleged claim relating from an equipment failure at Complainant's business on May 31, 2005.
4. In the instant matter, Complainant improperly brought this complaint before the Public Utility Commission. Complainant is requesting damages regarding a private action and the Pennsylvania Public Utility Commission is not authorized to award damages. Elkin v. Bell Tel. Co., 491 Pa. 123, 420 A.2d 371 (1980).

By way of further answer, it is clear that the remedial and enforcement powers vested in the Public Utility Commission ("Commission") were designed to allow the Commission to enforce its orders and regulations, but not to empower the Commission to award damages or to litigate a private action for damages on behalf of a complainant. Poorbaugh v. Pennsylvania Public Utility Commission, 666 A.2d 744 (Pa. Cmwlth. 1995).

**WHEREFORE**, PECO Energy Company respectfully requests that your Honorable Commission dismiss the Complaint because the jurisdiction for damages from a private action is not properly before this Honorable Commission.

Respectfully Submitted,

1. Admitted.

claim for damage to Complainant's equipment was submitted and denied by PECO Energy. PECO denies that PECO was responsible for any damages to the Complainant's equipment.

By way of further answer, PECO Energy avers that its records indicate that after written notice to the affected customers, on May 31, 2005, a planned service interruption was scheduled and performed at multiple locations, including Complainant's property. After the planned service interruption, Complainant submitted a claim for damage to its telephone system. An investigation revealed no voltage irregularities at the transformer and no indication of any power problems associated with the interruption and return of service. No other equipment was affected at other properties included in the outage. Complainant's claim was denied.

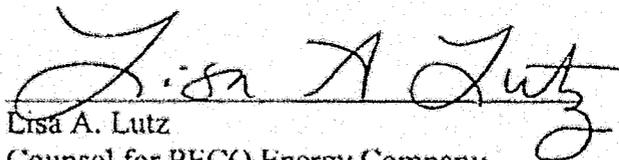

5. Paragraph No 5 is a request for relief to which no response is required. This Complaint requests an award of damages; however, the Pennsylvania Public Utility Commission is not authorized to award damages. Elkin v. Bell Tel. Co., 491 Pa. 123, 420 A.2d 371 (1980).

6. PECO Energy is without information to confirm or deny this statement.

7. Admitted.

WHEREFORE, PECO Energy Company respectfully requests that your Honorable Commission dismiss the instant Complaint.
