INTERIM ORDER
SETTING RESOLUTION CONFERENCE

On or about February 24, 2006, State YMCA of Pennsylvania, Inc. ("Complainant") filed a complaint against UGI Utilities, Inc. ("Respondent"), at the above-captioned docket number. On or about March 23, 2006, Respondent filed an answer to the complaint.

Based upon a review of the information contained in this material, I direct the parties to attempt to resolve this matter themselves. Respondent shall contact Complainant no later than April 12, 2006, to set a mutually convenient time, date and place for Respondent and Complainant to hold a conference about resolving the case. The conference must take place no later than April 26, 2006, unless this is not possible.

Within ten (10) days following the conference, Respondent shall file a short report with Herbert R. Nurick ("Mediator"), setting forth:

- (a) The time, date and place of the conference;
- (b) Who participated for each party;
- (c) A statement whether a full resolution, including withdrawal of complaint, was achieved, and, if not, whether the parties consent to have this case set for mediation by the mediation staff of the Commission; and
- (d) A statement of any issues which have been resolved, if a full resolution was not achieved.

The Commission encourages mediation if the parties cannot reach an agreement through the resolution conference. Mediation is an informal process in which the parties attempt to resolve the case with the help of a mediator. The mediator is a neutral staff member of the Commission who does not give advice, make a decision, or represent any party. Instead, the mediator assists the parties in their efforts to come to an agreement.

If the parties do not reach an agreement on their own, and do not consent to mediate, they are entitled to the hearing process. The hearing process usually includes the presentation of oral testimony and other evidence before a Commission administrative law judge, who will then consider the case and make a written decision to resolve it.

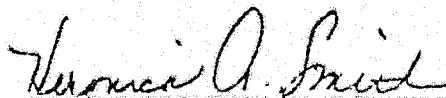

If it is not possible to have the conference by the date set for that purpose, Respondent shall file a report with the Mediator, on or before ten (10) days following the conference due date, giving the reason(s) why the due date could not be met.

In either situation, Respondent must file a report with the Mediator by the applicable due date set forth above.

If you have any questions, you should contact the Mediator. His address and phone number are:

Complaint Docket No. C-20065930

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Dear Mr. McNulty:

I have received a copy of a letter dated March 29, 2006 and filed by Mr. Barry M. Martin in the above-captioned proceeding. The document attempts to answer and rebut matters in the answer filed by UGI Utilities, Inc. in this proceeding.

The document is an unauthorized pleading under the Commission's *Rules of Administrative Practice and Procedure* and is subject to a preliminary motion by reason of failure to conform to the *Rules*. However, since the Complainant is *pro se*, I do plan to file a formal response. Nevertheless, there are matters in the letter that require a response.

Mr. Barry makes a number of unsubstantiated allegations that will ultimately be addressed at the hearing of this Complaint. He maintains that no written communication from UGI was ever received regarding the matter, that the response tendered by UGI is an attempt to mislead the Commission and demands an "independent" test of the meter, a delay of the scheduled hearing and an in-person hearing of the Complaint.

As will be shown at the ultimate hearing of this Complaint, UGI provided the YMCA with two written communications regarding the testing of the meter and the accuracy of the meter readings. Further, there is no reason the normal telephonic hearing will not suffice for the hearing of this uncomplicated Complaint. For these reasons, the Commission should disregard Mr. Barry's letter as an unauthorized pleading and proceed to schedule a timely telephonic hearing of this Complaint.

Dear Mr. McNulty:

Pursuant to Section 5.24 (b) of the Commission's regulations, UGI Corporation hereby represents and certifies to the Commission that the referenced Formal Complaint has been resolved to the satisfaction of the Complainant.

The Complaint resulted from an apparent incorrect meter reading in November 2005. UGI has agreed to provide and Complainant has agreed to accept a \$50.00 credit on the next monthly bill.

I hereby certify that a copy of this certification is being served upon the Complainant, via regular U.S. mail, on the above date. Unless the Complainant objects to this certification within 10 days of filing, I presume this complaint will be deemed withdrawn.

Sincerely,

Larry R. Crayne
