RECORDS SECTION  
NOV 11 11:50

**INTERIM ORDER ADMITTING AN AMENDED EXHIBIT AND  
CLOSING THE RECORD**

An Initial Telephonic Hearing was held in this case on Tuesday, October 26, 2004, at 10:00 a.m. Through the testimony of the Metropolitan Edison Company ("Met-Ed") witness, Ms. R. Strassner, an exhibit identified as RS-1 showing Complainant's payment history was presented. Met-Ed sought to admit Exhibit RS-1 into the record. The Complainant, Mr. O'Toole, objected to the exhibit stating that it was inaccurate because of the time period used.<sup>1</sup> Mr. O'Toole also stated that Met-Ed was able to supply the data over a longer timeframe as demonstrated by response to his data requests. Counsel agreed to supply an amended exhibit displaying a time period starting from at least January 1999. I indicated that I would hold the record open through close of business October 27, 2004, to receive said documentation and admit it into the record.

I received the document, which has been marked for identification as Exhibit RS-1 amended containing four (4) pages, on Wednesday, October 27, 2004. Through this Interim Order I am admitting Exhibit RS-1 amended into the record by the following ordering paragraphs and closing the record.

<sup>1</sup>

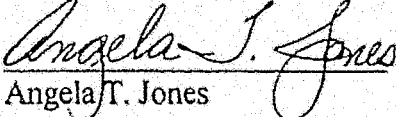

This proposed exhibit displayed data starting from January 2001 to October 2004.

THEREFORE,

IT IS ORDERED:

1. That the document which has been pre-marked as Exhibit RS-1 amended, which is attached hereto, is admitted into the record.
2. The record is now closed.

Date: October 28, 2004
