A. In general, what is your complaint?

- I want to oppose the company's proposed rate increase.

- I received a notice that my utility service is being terminated.
- I would like a payment agreement.

(explain)

B. State the facts of your complaint.

Include any specific dates, times or places that are important. If the complaint is about a bill, tell us about any charges that you believe are not correct. Use additional paper if you need more space. Provide copies of all relevant documents you believe will support your complaint.

I have sent letters in the past stating the amount they are requesting of me is not anything at this time I can meet. The payment arrangements were assigned 140.00 monthly, I can can not meet. I have always provided documentation stating that I have had a loss of income due to my recent health charges. My doctor has also provided documentation that at this time I can not work.

I have also provided income receipts as to how much I actually get monthly, and I have two dependents other than myself. I have been diagnosed with End Stage Renal Disease, I also have asthma. My child also suffers from severe asthma. PECC has sent me bills stating I have a special agreement of \$40.00 due the ninth of the month, which I have been paying. But then they⁵ sent a shut off notice for over 1,000.00 ~~that~~ dollars. I am really trying to do the best I can do with what I am able to do. Please help me.

5. RELIEF.

What do you want the Public Utility Commission to do about your complaint? Use additional paper if you need more space.

I would welcome any assistance with lowering my monthly agreement, so I can make these payments. Everything in my house is powered by electric including heat. We use electric powered nebulizers. Having the electric terminated will actually cause me to have to stay in a shelter because I cannot afford to move anywhere including hotels. I have been able to pay the \$40.00 monthly. I will continue to pay; but I would like more reasonable payments. In these winter months we will be homeless if they terminate my electric.

6. PROTECTION FROM ABUSE

Answer the following question if your complaint is against a natural gas distribution company, an electric distribution company or a water company AND your complaint is about a billing problem, an application for service problem, a termination of service problem or a request for a payment agreement.

To Whom It May Concern:

APPEAL

I am writing this letter to appeal the decision regarding my electric bill. Acct # 25-11-16-123877, with PECO Energy. Sometime ago I wrote informing the PUC, of my financial and medical change.

I was diagnosed with ESRD. Which is End Stage Renal Disease. I need a kidney to live. Due to my failing health I am now unable to work. I do receive child support from my daughters father, which I supplied this information to you along with his receipts I have to sign each week. I also explained that I have two young dependents that reside with me. The youngest child also, suffers from severe asthma.

I am trying my hardest to do the best I can with the recent hand that God, has dealt me. I also, explained that the current agreement was 140.00 monthly which at this point is not at all possible. Electric i.e. stove, hot water heater runs everything in the home also, the heat which is oil but is turned on by electric switch. If the electric is terminated we will literally homeless, we will no longer be able live in the house. This is a life and death situation, the winter is now upon us and don't have any other avenues to help me.

I also, requested some information about the low-income energy assistance programs, so I could sign up for programs that could also help with the energy bill, I never received any of this information. On my electric bill it states that there was a special agreement made for \$40.00, which is due by the ninth of each month, I did make a payment of \$40.00, on 11/4/05, and then I received a ten-day shut off notice scheduled for 11/28/05. I do not understand that. The money was paid 5 days before it was due.

I am begging you to please help us! We will literally be homeless if the electric is cut off. The house will have no hot water, heat, lights, and we will not be able to feed ourselves, this will literally put us in a shelter. There is nowhere else for else to live I cannot afford to move or stay in a hotel. Please Please Help me!

Sincerely,
Maya Hanti

DOCKET NO. C-20065765

ANSWER OF RESPONDENT, PECO ENERGY COMPANY

PECO Energy Company ("PECO Energy"), pursuant to 52 Pa. Code § 5.61, responds to the Complaint and states:

- 1. Admitted.
- 2. Admitted.
- 3. Admitted.

DOCUMENT
FOLDER

DOCKETED
FEB 9 2006

- 4. Denied. PECO Energy denies that Complainant is unable to pay her electric bill

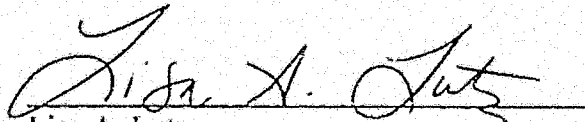

and strict proof thereof is hereby demanded at time of hearing. PECO Energy avers that Complainant's account balance is \$2,938.04. The Complainant's average monthly bill is currently \$111.00. Complainant has a poor payment history with many missed or partial payments. Since August, 2003, she has made only five good or partial payments on the account.

The Bureau of Consumer Services ("BCS") issued a decision on or about November 4, 2005, dismissing the case because Complainant had a previous PUC-directed payment agreement that was not kept. A copy of the decision is attached as Exhibit A. The Complainant's previous agreement, directed by the PUC, was made January, 2005, and directed the Complainant to pay her monthly budget bills plus \$40.00 per month; this agreement was not met by the Complainant.

5. This paragraph is a request for relief and no answer is required.
6. PECO Energy is without sufficient information to confirm or deny this statement.
7. Admitted.

WHEREFORE, PECO Energy Company respectfully requests that your Honorable Commission dismiss the instant Complaint. PECO Energy further requests that your Honorable Commission enter an Interim Order directing payment of current undisputed consumption charges, pursuant to 66 Pa. Code §1410(2).
