- I want to oppose the company's proposed rate increase.
- There are incorrect charges on my bill.
- There is a reliability, safety or quality problem with my utility service.
- I received a notice that my utility service is being terminated.
- I would like a payment agreement.
- Other.
(explain)

B. State the facts of your complaint.

Include any specific dates, times or places that are important. If the complaint is about a bill, tell us about any charges that you believe are not correct. Use additional paper if you need more space. Provide copies of all relevant documents you believe will support your complaint.

In June 2005, I request service from Casco Gas. I was ~~not~~ paid an outrageous amount for installation of a meter and service. The company never installed new regulator or pipe. They were both there when I bought the place. The meter they removed when the last owners moved out, was property of the ~~previous~~ ^{last} owners. So I should not have been charge for that either. It took quite awhile to get a statement for the installation. I finally received it after the written notice was sent. (inclosed). I called the Co. many times unable to get results.

5.

RELIEF
What do you want the Public Utility Commission to do about your complaint? Use ^{of} additional paper if you need more space. *persons phone*

I would like PUC to review it. And if they/you ^{person's} see fit disburse. I would like my money back or credited to my account. I know an appolique from the company would probably be going to far.

Aug. 24, 2005

I apologize for the late payment. The address you sent my bill to, was incorrect and I just received it Saturday Aug. 20, 2005.. My address is 216 Howe Rd. Corsica, PA 15829.

I would also like to request a copy of the itemized bill for the \$750.00, initial hook-up fee. I spoke to you about this on the telephone and you said you would get one to me. I have not received it, so now I am requesting it in writing.

I would also like to address an other matter which I spoke to you on the telephone about. There is a gas leak before the meter at my residents. I am unable to open my windows on that side of the trailer do to this. The smell and fumes come into my home. I have children in my home, in which one of them is very sensitive to smells. I request that you would please send someone to fix it.

Thank you for your time.
