5. RELIEF

What do you want the Public Utility Commission to do about your complaint? Use additional paper if you need more space.

Laser Beams are in my neighborhood since Oct. 13, 2000. An investigation is warranted into these circumstances, because the excessive level is dangerous which poses a health issue as well as an environmental problem here. These laser beams are in the air as well as on the ground, which has to eventually affect the electric, gas, water, and telephone lines and this concerns me. So, I think the Pennsylvania Public Utility Commission has to become involved into this type of matter. It is an on-going problem that really needs to be terminated as soon as possible and the sooner the better.

FORMAL COMPLAINT NOTICE TO RESPONDENT TO ANSWER OR SATISFY

TO: DUQUESNE LIGHT COMPANY

TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

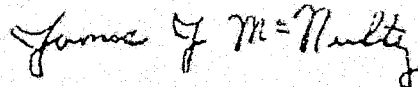

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Section 5.61. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq., and, if

you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

3. If you elect to satisfy this complaint you must file, within twenty (20) days from the date on which this complaint is served, affidavits executed by each complainant that this complaint has been satisfied. Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. In the imposition of a penalty after a hearing the Administrative Law Judge is not bound by the relief sought by the complainant in paragraph 4 of the attached complaint.

Docket No. C-20067232

ANSWER

TO THE HONORABLE COMMISSION:

AND NOW comes the Respondent, Duquesne Light Company, by and through its attorney, Regina M. Sestak, and files the within Answer of which the following is a statement.

1. Admitted.
2. Admitted.
3. Admitted.
4. A. After reasonable investigation, Respondent is without

sufficient knowledge or information to form a belief as to the truth of Complainant's averments, "Other," and "Laser Beams - in the air and on the ground," and these averments are therefore denied. By way of further response, Respondent has no knowledge of said laser beams.

B. Complainant's averment, "[e]nclosed you will find pictures to show exactly what is taking place in this neighborhood," is an apparent attempt to incorporate the seven pages containing photographs and handwritten notations that Complainant has attached to her complaint into this paragraph. These seven pages will be addressed below under the heading Attachments.

5. After reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of Complainant's averment that laser beams have been in her neighborhood since October 13, 2000, and this averment is therefore denied. By way of further response, Respondent is not the source of any laser beams visible in Complainant's neighborhood. Further, Respondent has no knowledge of said laser beams.

Complainant's averment that an investigation is warranted into these circumstances is a statement of opinion and/or request for relief to which no response is required.

Complainant's averment, "the excessive level is dangerous which poses a health issue as well as an environmental problem here," is a statement of opinion to which no response is required.

After reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of Complainant's averment that the laser beams are in the air as well as on the ground, and this averment is therefore denied.

Complainant's averments, "which has to eventually affect the electric, gas, water, and telephone lines and this concerns me," and "[s]o, I think the

Pennsylvania Public Utility Commission has to become involved into this type of matter," are statements of opinion to which no response is required.

Complainant's averment that it is an ongoing problem that really needs to be terminated as soon as possible and the sooner the better is a statement of opinion and/or request for relief to which no response is required.

6. After reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the truth of Complainant's averment that a court has not granted a "Protection from Abuse" order for her personal safety, and this averment is therefore denied.

7. Admitted.

8. No response is required to Complainant's verification and signature.

9. As this paragraph is blank, no response is required.

Attachments:

Photographs:

Complainant has attached six pages containing photographs.

After reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the authenticity of said photographs, and their authenticity is therefore denied.

Photograph and Handwritten Notations:

Complainant has attached a one-page document containing a photograph and handwritten notations.

No response is required to the date, "Dec. 15, 2006."

Complainant's averment, "#2179611," is admitted to the extent that, based upon information provided orally by the Pennsylvania Public Utility Commission (PUC) Bureau of Consumer Services (BCS), Respondent believes and therefore avers that this number was assigned to Complainant's inquiry to BCS prior to the filing of this formal complaint.

No response is required to the salutation, "Secretary."

Complainant's averment, "[e]nclosed is a picture for my Pa. Public Utility Commission Formal Complaint Form," is an apparent attempt to indicate that the photograph on the same page was being provided to the Commission with her complaint. If so, no response is required.

Complainant's averment, "[t]hank you for your attention into this matter," is an expression of gratitude to which no response is required.

No response is required to "Sincerely."

No response is required to Complainant's name, address and telephone number.

After reasonable investigation, Respondent is without sufficient knowledge or information to form a belief as to the authenticity of said photograph, and its authenticity is therefore denied.

WHEREFORE, Respondent requests that after reasonable investigation and hearing the Complaint be dismissed.

Respectfully submitted:

Dear Mr McNulty, Secretary

Tried reaching you by phone, but one of your employees hung up on me.

On Jan 10, 2007, Verizon sent a splicing technician to the telephone pole and made changes.

Then on Jan 11, 2007, Columbia Gas sent their service representative to make changes on this site also I appreciate their cooperation into this matter. Both companies left their service cards as well. However as of this date, the waste water did not respond at all.

On Jan 15, 2007, The American Water Attorney Seth Mendelsohn sent a formal letter by UPS and the Docket No. is C-20067231. But his Water representative has not shown up yet!

On Jan 22, 2007, Duquesne Light Attorney Regina M. Pestak stated that the P.U.C. will hold a hearing before the final decision. Duquesne Light Docket No is C-20067232.

Believe me, Mr. McNulty, I am not trying to legally complain or trouble you in anyway. I am simply trying to convey to each one of my Utility Companies that they should be aware of the problem here. Then use their resources, technical knowledge as well as their technical support of their Company to take care of the matter by a thorough investigation for safety. It's better to be safe than sorry! If they do not investigate, they may wish they did some day, because of the added trouble and expense.

Sincerely,
 Mary Paul Corba
