PECO ENERGY

---

You contacted the Public Utility Commission asking for help in preventing the termination of your utility service. We looked into your records with the company and decided that:

- Your total account balance is \$2360.78. This balance does not include any payments or bills sent out on or after 2/6/2006.
- In order to keep your service on, you must pay the utility company \$493.46 by MARCH 21, 2006. This \$493.46 includes a security deposit amount of \$38.00, your budget of \$62.00 plus \$393.46 towards your arrears. Then, beginning APRIL 2006, you must pay the company a special budget amount of \$456.00 per month. This amount may change depending on any change in the amount of service you use.
- This special budget amount includes a regular budget amount of \$62.00 per month, which is based on your monthly usage, plus \$394.00 that will be paid toward the account balance.
- You must make all payments by the due date of each month's bill and continue making the payments until you pay the account in full.
- If you break this payment agreement, the company may shut off your service. If the company shuts off your service, they may make you pay your full bill plus a reconnect fee and a deposit to restore service.

Your dispute of 07/06/2005 concerning money from a previous account being added to your current account has been reviewed. PECO ENERGY records indicate that you initiated service in your name at 198 Mohican road, Lester PA on 10/20/1999 and had it discontinued effective 10/04/2002. On 10/09/2002 the utility company issued you a final bill for \$3,038.60 which was due by 10/31/2002 and mailed it to the mailing address of 126 Delaware Street, Lester PA 19029 that was provided by you. The company records show that this final bill was not paid and the account was referred to NCO Financial Services on 02/05/2003 for further collection. When you had service initiated in your name at your current address on Quarry Road on 04/11/2005 the company's system automatically issued a letter to you on 04/15/2005 advising you that you would be billed a deposit due to an uncollected account found at the time your service was initiated. The Company also transferred the uncollected account balance of \$3,038.60 from your prior account into your current account. The records show that this was

TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Section 5.61. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq.; and, if

you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

3. If you elect to satisfy this complaint you must file, within twenty (20) days from the date on which this complaint is served, affidavits executed by each complainant that this complaint has been satisfied. Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. 4. Denied. PECO Energy denies that Complainant is unable to pay her electric bill and strict proof thereof is demanded at time of hearing. PECO Energy avers that Complainant's account balance is \$1,999.09. Complainant's average monthly bill is \$57.00. Complainant has a poor payment history.

A decision of the Bureau of Consumer Services ("BCS") issued on or about February 24, 2006 set a payment agreement of a special monthly budget amount of \$456.00, beginning April, 2006. The BCS-directed monthly special budget amount of \$456.00 includes the regular monthly budget amount of \$62.00, plus the monthly arrears payment of \$394.00. The BCS decision also found that the bills are correct as rendered, and Complainant is responsible for the account balance. A copy of the BCS decision is attached as Exhibit A.
