4. COMPLAINT (check one)

A. In general, what is your complaint?

- I want to oppose the company's proposed rate increase.
- There are incorrect charges on my bill.
- There is a reliability, safety or quality problem with my utility service.
- I received a notice that my utility service is being terminated.
- I would like a payment agreement.

Other.
(explain)

They are charging me a security deposit of \$542⁰⁰ for being late on a payment. ~~542~~

B. State the facts of your complaint.

Include any specific dates, times or places that are important. If the complaint is about a bill, tell us about any charges that you believe are not correct. Use additional paper if you need more space. Provide copies of all relevant documents you believe will support your complaint.

I was on a budget plan of 269⁰⁰ a month. I paid this amount every month. At the end of the year they reviewed my account and I was over budget with my usage. So I owed them money. In the past I was under the understanding that they would adjust my amount accordingly.

I sent in more than the amount of my budget to start covering the overage. The next month I saw the security deposit on my bill and called. They said that I was 30 days past due on the overage and that I had to pay the deposit, over

I tried to tell a girl that I would pay the full amount and could she take off the deposit. She said "no" and to take it up with the Utilities Commission if I had a problem. She also took me off the budget plan and I have been paying the full amount every month minus the security deposit, which was the amount your office told me to pay while it was under your consideration. Six or Seven months later I heard from you that I have to pay the deposit. I am appealing that decision; this is why.

I have been living in my present residence for 13 years. Every once and a while I may have been a few days late on a payment but never 30 or more. I have great credit and pay my bills faithfully.

I do not want nor feel I should have to pay \$542⁰⁰ which is a lot of money for me, to Peco so I can keep the service.

Especially since they are the only utilities in town. I consider this extortion & blackmail.

My account is not new, it is not delinquent. I pay my bill, my credit rating is good. It is an account at the same location for 13 years that has a good payment record.

5. RELIEF

What do you want the Public Utility Commission to do about your complaint? Use additional paper if you need more space.

I want you to tell PECO to remove the security deposit of \$542⁰⁰ from my bill and to not require a deposit from me at all.

6. PROTECTION FROM ABUSE

Answer the following question if your complaint is against a natural gas distribution company, an electric distribution company or a water company **AND** your complaint is about a billing problem, an application for service problem, a termination of service problem or a request for a payment agreement.

Has a court granted a "Protection from Abuse" order for your personal safety?

YES

NO

7. PRIOR UTILITY CONTACT

Answer the following question only if you are a residential customer and your complaint is against an electric distribution utility, natural gas distribution utility or a water distribution utility.

Have you spoken to a utility company representative about this complaint?

YES

(includes appeals of BCS determinations)

If you tried to, but could not speak to a utility company representative about your complaint, please explain why.

TO: PECO ENERGY COMPANY

TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Section 5.61. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq.; and, if

you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. 1. Admitted.
2. Admitted.
3. Admitted.

DOCUMENT
FOLDER

DOCKETED
JUN 12 2006

4. Admitted in part and denied in part. PECO Energy admits that Complainant was charged a deposit due to the account delinquency. PECO Energy denies that the deposit was improper, and further avers that the deposit is permitted pursuant to 52 Pa. Code § 56.41. On April 19, 2005, Complainant was charged the credit deposit of \$542.00; this deposit was billed in three installments. The first installment of \$271.00 was billed on June 28, 2005 and two additional installments of \$137.50 were billed on July 27, 2005 and August 29, 2005.

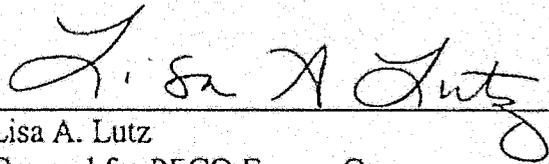

It is admitted that Complainant participated in the budget plan; however, on July 11, 2005, Complainant was advised that the account was removed from budget due to account delinquency.

The BCS decision, entered April 13, 2006, found that the security deposit was properly requested. The BCS decision set a regular budget amount of \$300.00 per month. A copy of the decision is attached hereto as Exhibit A.

5. This paragraph is a request for relief and no answer is required.
6. PECO Energy is without sufficient information to confirm or deny this statement.
7. Admitted.

WHEREFORE, PECO Energy Company respectfully requests that your Honorable Commission dismiss the instant Complaint.
