TO: PENNSYLVANIA ELECTRIC COMPANY

DOCKETED
MAR 28 2007

TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

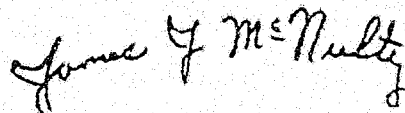

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Section 5.61. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq.; and, if

you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

3. If you elect to satisfy this complaint you must file, within twenty (20) days from the date on which this complaint is served, affidavits executed by each complainant that this complaint has been satisfied. Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. In the imposition of a penalty after a hearing the Administrative Law Judge is not bound by the relief sought by the complainant in paragraph 4 of the attached complaint.

ANTHONY CRIVELLI

v.

Docket No. C-20077470

PENNSYLVANIA ELECTRIC COMPANY:

**ANSWER AND NEW MATTER OF PENNSYLVANIA ELECTRIC COMPANY
TO THE COMPLAINT OF ANTHONY CRIVELLI**

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

AND NOW, Pennsylvania Electric Company ("Penelec" or the "Company"), by and through its counsel, Matthew A. Totino, John F. Povilaitis and Ryan, Russell, Ogden & Seltzer P.C., answers the above Complaint pursuant to Section 5.61 of this Commission's regulations, 52 Pa. Code § 5.61, as follows:

1. Admitted. It is admitted that Penelec provides non-residential retail electric service to the Complainant at Rt. 8, Reno, Pennsylvania 16343 ("Service Location") at Account No. 100007471558.

2. Admitted.

3. Admitted.

**DOCUMENT
FOLDER**

4(A). For purposes of this Answer, the several sentences of this paragraph have been restated and answered as they appear as follows:

1) I have 2 meters at my place of business. I only ordered one.

Admitted in part. Denied in part. It is admitted that Complainant has two electric meters at the Service Location. One electric meter provides service to a commercial sign. The other electric meter provides service to a commercial structure. Penelec is without firsthand knowledge or information sufficient to form a belief as to

DOCKETED
APR 24 2007

what Complainant means with the allegation that "he only ordered one" and requests proof thereof, if relevant, at hearing. To the extent that Complainant is alleging that he only requested one meter at the Service Location, the allegation is denied. Company records indicate that Complainant requested a separate meter for the commercial sign.

2) 2 meters cause excess charges.

Denied. To the extent that the above averment represents a legal conclusion, no response is required. In any event, Penelec avers that Complainant's monthly electric bills for the two accounts at the Service Location have been accurate, rendered consistent with usage and issued in accordance with applicable law.

3) Also, find a person to explain how to read a bill.

The above statement is a prayer for relief to which no response is required.

4(B). For purposes of this Answer, the several sentences of this paragraph have been restated and answered as they appear as follows:

1) I order [sic] one meter to be installed, not two.

Denied. According to Company records, Complainant requested two meters to be installed at the Service Location, and a person identifying himself as Mr. Crivelli contacted Penelec to initiate service for both accounts in his name at the Service Location.

2) Because one is cost effective.

The above statement is neither an averment of fact nor an allegation of a violation of any law, regulation or tariff and therefore, no response is required.

5. For purposes of this Answer, the several sentences of this paragraph have been restated and answered as they appear as follows:

1) **Pay for the damages they caused me.**

The above statement is a prayer for relief to which no response is required. In any event, Pennsylvania law is clear that the Commission does not have jurisdiction to award money damages to Complainant.

6. Denied. After reasonable investigation, Penelec is without information or knowledge sufficient to form a belief regarding whether or not a Protection from Abuse order has been granted in favor of this Complainant and demands proof thereof, if relevant, at hearing.

7. Admitted.

8. The allegations in this paragraph do not contain any factual averments to which any responsive pleading is required.

9. Not applicable.

10. Not applicable.

NEW MATTER REGARDING SERVICE

11. Paragraphs 1-10 of this Answer and New Matter are hereby incorporated by reference as if set forth fully herein.

12. Complainant is a commercial customer of Penelec with two metered accounts at the Service Location. One meter serves a commercial structure at the Service Location and another meter serves a commercial sign at the Service Location with Account No. 100007471558 ("Sign Account").

13. The meter that serves the commercial sign has been in the name of Complainant since its installation in 1993.

14. On or about February 24, 2007, Complainant contacted the Company and stated that his name should not be on the Sign Account. The Company customer service representative offered to discontinue service for the account in Complainant's name but Complainant declined.

15. On or about March 1, 2007, another Company representative spoke with Complainant about the Sign Account. The Company representative informed Complainant that a person identifying himself as Mr. Crivelli previously called and requested that electric service be initiated in his name at the Sign Account.

16. On the call, the Company representative also agreed to perform a meter test, at no charge to Complainant. On or about March 6, 2007, the meter servicing the Sign Account was removed and subsequently tested. The meter was found to be accurate.

17. In addition, the Company has previously informed Complainant that if he does not want the Sign Account in service, he can: (1) discontinue the service in his name or (2) combine the lighting service with the service to the commercial structure, at his expense.

18. Incidentally, in August of 2000, Complainant raised the same or similar allegation to Penelec that he did not authorize initiation of service at the Sign Account. At that time, Penelec provided Complainant with written documentation and proof that it was Complainant who applied for service at the Sign Account.

19. Therefore, at all times with respect to this Complaint, Penelec has acted reasonably and in accordance with all applicable law.

FIRST NEW MATTER REGARDING JURISDICTION

20. Paragraphs 1-19 of this Answer and New Matter are hereby incorporated by reference as if set forth fully herein.

21. In paragraph 5 of the Complaint, the sole relief requested by Complainant is that the Company "pay for the damages they caused me."

22. It is well-established under Pennsylvania law that the enforcement powers of the Commission do not include the power to award money damages. Elkin v. Bell, 491 Pa. 123, 420 A.2d 371 (1980); Feingold v. Bell of Pennsylvania, 477 Pa. 1, 383 A.2d 791 (1978).

23. Therefore, in accordance with Pennsylvania law, Penelec submits that this Commission does not have jurisdiction to grant the monetary relief sought by Complainant in this matter.

SECOND NEW MATTER REGARDING JURISDICTION

24. Paragraphs 1-23 of this Answer and New Matter are hereby incorporated by reference as if set forth fully herein.

25. Complainant is a non-residential or commercial customer of Penelec at Account No. 100007471558.

26. Representation before the Commission is governed by the Commission's regulations at 52 Pa. Code §§ 1.21-1.23. These regulations provide that "[i]n adversarial proceedings, partnerships, corporations, trusts, associations, agencies, political subdivisions and government entities shall be represented only by... an attorney." Id. Only individuals may represent themselves before the Commission. 52 Pa. Code § 1.21.

27. In Tyler Run, LLC v. Met-Ed, Docket No. C-20043888 (January 5, 2005) ("Tyler Run"), the Chief Administrative Law Judge ruled that a non-attorney owner/operator of a limited liability corporation may file a formal complaint pleading, *without an attorney*, but thereafter must be represented by counsel.

28. Because Tyler Run only authorizes a business entity such as a partnership, corporation, trust, or association to represent itself in the preparation and filing of a Formal Complaint with the Commission, such an entity must obtain counsel to proceed with all other aspects of the proceeding including, without limitation, discovery, testimony preparation, attendance at the hearing, examination of witnesses and briefing.

29. Therefore, to the extent that Complainant has filed this Complaint on behalf of a corporation or other similar business entity, the Complainant must be ordered to obtain legal representation and certify to the Commission and Penelec within ten (10) days of receiving this Answer and New Matter the name and contact information of its legal representative. If the Complainant fails to do so, the Formal Complaint should be dismissed with prejudice.

THIRD NEW MATTER REGARDING JURISDICTION

30. Paragraphs 1 – 29 of this Answer and New Matter are incorporated by reference as if set forth fully herein.

31. Although a complaint filed on behalf of a business need not be signed by an attorney, the complaint must be filed by: (1) a member of a partnership if the complaint is brought on behalf of a partnership; or (2) a bona fide officer of a corporation, trust, or association if the complaint is brought on behalf of a corporation, trust, or association. 52 Pa. Code § 1.21(c) (Emphasis added).

32. Therefore, to the extent that Complainant is filing the complaint on behalf of corporation, the Complainant must be ordered to provide verification, in writing, to the Commission and Penelec within ten (10) days of receiving this Answer and New Matter that he is a bona fide corporate officer. If the Complainant fails to do so, the Formal Complaint should be dismissed with prejudice

FIRST NEW MATTER REGARDING STATUTE OF LIMITATIONS

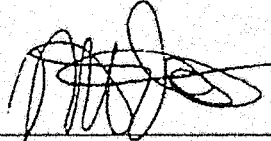

33. Paragraphs 1-32 of this Answer and New Matter are hereby incorporated by reference as if set forth fully herein.

34. Section 3314(a) of the Public Utility Code ("Code") states that: "No action for the recovery of any penalties or forfeitures incurred under the provisions of this part, and no prosecutions on account of any matter or thing mentioned in this part, shall be maintained unless brought within three years from the date at which the liability therefor arose." Therefore, a Complaint for failure to provide reasonable service or for any violation of the Code must be brought within three years of the alleged violation.

35. Therefore, to the extent that Complainant seeks relief for any acts or omissions that occurred more than three years prior to the filing of the Complaint, Penelec submits that such a cause of action is time-barred by the Code and should be dismissed.

WHEREFORE, Pennsylvania Electric Company hereby requests that the
Complaint of Anthony Crivelli be dismissed with prejudice.

Respectfully submitted,
