4. COMPLAINT (check one)

A. In general, what is your complaint?

- I want to oppose the company's ~~proposed~~ rate increase. *WHEN PECO PUT US INTO A PROGRAM WHICH PROMISED "LOWEST COMPETITIVE RATES."*
- There are incorrect charges on my bill.
- There is a reliability, safety or quality problem with my utility service.
- I received a notice that my utility service is being terminated.
- I would like a payment agreement.
- Other.
(explain)

B. State the facts of your complaint.

Include any specific dates, times or places that are important. If the complaint is about a bill, tell us about any charges that you believe are not correct. Use additional paper if you need more space. Provide copies of all relevant documents you believe will support your complaint.

Since January 2006 my electric bills have been so high that I called PECO, only to be assured that my bills were correct. They never informed me that I had been placed with an UNREGULATED COMPANY for GENERATION & TRANSMISSION charges - resulting in rates of more than 30% higher than PECO. The company, DOMINION RETAIL, INC., increased their rates in January 2006 without notification. When PECO put us in this program, we were quoted "lowest competitive rates". We were misinformed. Also, when I called DOMINION RETAIL, INC. - they told me that we were notified of this increase and were given a chance to opt out. WE WERE NOT NOTIFIED. Again, we were misinformed.

SHOULD PECO BE LIABLE FOR PUTTING US INTO THIS PROGRAM?

5. RELIEF

What do you want the Public Utility Commission to do about your complaint? Use additional paper if you need more space.

On 10/1/06, PECO finally explained the higher costs. PECO quoted their rate at .0674, while DOMINION rates were .102 - but said it would take two (2) billing cycles to get out of the program and back to PECO. This would result in excess increased costs of more than \$150. per month with DOMINION RETAIL, INC. We have already incurred excessive costs since the January 2006 increase and would like to be out on 10/1/06, which is the date I called both PECO and DOMINION RETAIL, INC. to request this change.

Can anything be done about DOMINION RETAIL, INC. charging these excessive rates?
Are they allowed to do this? Enclosed are copies of the bills showing companies and rates.

6. PROTECTION FROM ABUSE

Answer the following question if your complaint is against a natural gas distribution company, an electric distribution company or a water company AND your complaint is about a billing problem, an application for service problem, a termination of service problem or a request for a payment agreement.

Has a court granted a "Protection from Abuse" order for your personal safety?

YES

NO

7. PRIOR UTILITY CONTACT

Answer the following question only if you are a residential customer and your complaint is against an electric distribution utility, natural gas distribution utility or a water distribution utility.

Have you spoken to a utility company representative about this complaint?

YES
(includes appeals of BCS determinations)

If you tried to, but could not speak to a utility company representative about your complaint, please explain why.

17, 2003 it switched Complainant to USP&G Pennsylvania Ltd. as her electric supplier under the Market Share Threshold (MST) program that was approved by the Public Utilities Commission. Complainant was later switched to Dominion Retail Commercial on January 17, 2004 as her new electric supplier, but not through the actions of PECO Energy. Pursuant to the rules established under electric restructuring, PECO Energy billed Complainant for electricity supplied by Dominion Retail Commercial. Complainant never opted out of this program and her service provider remains Dominion Retail.

On October 02, 2006 Complainant first requested that her service be switched back to PECO Energy. That request cannot be processed immediately and is currently pending

DOCUMENT
FOLDER

as PECO Energy is following its procedure under its Electric Generation Supplier Tariff, Rule 5.3.1 (b), as approved by the Public Utilities Commission.

Even though Complainant may not have authorized the service to be switched to USP&G Pennsylvania Ltd., any disagreement over the amount of charges or rates is between Complainant and Dominion Retail, because Dominion Retail was the service provider and PECO Energy has nothing to do with Dominion Retail's rate scheme.

PECO Energy cannot comment on whether Dominion Transmission raised its rates or not as this is an issue that must be pursued against her current supplier, Dominion Retail, because PECO Energy cannot answer on Dominion Retail's behalf. PECO Energy alleges that PECO Energy was not Complainant's service provider and that Dominion Retail charged Complainant her disputed rates.

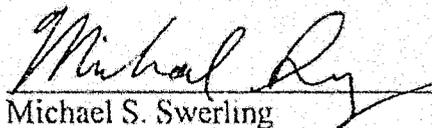

PECO Energy cannot respond to Complainant's claims that Dominion Retail never informed her of a rate increase. PECO Energy cannot answer this allegation, as it is an allegation against Dominion Retail. PECO Energy has nothing to do with how Dominion Retail handles its customer rates. PECO Energy's rates are specified in its tariff as approved by the Commission and these rates are completely separate from Dominion Retail's rates.

PECO Energy further denies that it provided improper notice or misinformed Complainant regarding its transfer under the MST program or its ability to opt-out.

5. This paragraph is a request for relief and no answer is required.
6. PECO Energy is without sufficient information to confirm or deny this statement.
7. Admitted.

WHEREFORE, PECO Energy Company respectfully requests that your
Honorable Commission dismiss the instant Complaint.
