5. RELIEF

What do you want the Public Utility Commission to do about your complaint? Use additional paper if you need more space.

see attached letter

B. State the facts of your complaint.

If you look at the attached electric bill it is from June 15, 2006 to July 14, 2006, the amount of my electric portion is \$95.53 and the gas portion is \$46.18 which totals \$141.71 which seems normal even though I have been using my air conditioner because of the extreme hot summer we have been having. In the past my electric bills have been outrageously high they have ranged from the \$300 to \$400 each month, now if I had a very large single home I might expect to pay that much, but I have a small to medium row home that no one occupies from 9am in the morning when I am at work and my kids are at school (they are home for the summer) and not until 4-4:30pm when my kids get home from school is there anyone even in the house. I have complained to PECO on several occasions about having someone come to my home to investigate the electric usage in my home, I even mentioned the fact that I thought that my next door neighbors might somehow be tapping into our electricity and using it, still no one came to investigate. My next-door neighbor's house has been empty now since the second week in June 2006 and isn't it strange that the very next electric bill that I receive is \$200 to \$300 lower than what it is normally? I tried to make this clear to PECO but they still would not work with me on investigating/lowering or even giving me a reasonable payment arrangement.

5. Relief

I would like the PUC to first investigate to find out if PECO could send someone out to my home to check and see if my electric was being used by my neighbors and if so, to adjust my electric bills to show the correct dollar amount that I should be paying and my correct monthly usage second, I would like to be able to arrange a reasonable monthly payment arrangement on my old PECO bill, I don't have any problems with paying off my old bills but \$250 a month towards my old bill is more than my current bill. I am a single mother of 4 children and I can not afford to pay \$250 a month, what I can afford is about \$50 a month towards my old bill plus whatever my current bills will be (provided that PECO investigate my current electric usage)

6. PROTECTION FROM ABUSE

NO

7. PRIOR UTILITY CONTACT

Answer the following question only if you are a residential customer and your complaint is against an electric distribution utility, natural gas distribution utility or a water distribution utility.

FORMAL COMPLAINT NOTICE TO RESPONDENT TO ANSWER OR SATISFY

TO: PECO ENERGY COMPANY

TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

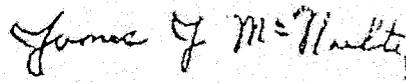

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Section 5.61. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq.; and, if

you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

3. If you elect to satisfy this complaint you must file, within twenty (20) days from the date on which this complaint is served, affidavits executed by each complainant that this complaint has been satisfied. Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. ANSWER OF RESPONDENT,
PECO ENERGY COMPANY

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

PECO Energy Company ("PECO Energy"), pursuant to 52 Pa. Code §5.61, responds to

the Complaint and states:

1. Admitted.
2. Admitted.
3. Admitted. PECO Energy further admits it provides gas service to Complainant at the addresses in the complaint.

4. Denied. PECO Energy specifically denies that there is a reliability, safety or quality problem with Complainant's service. PECO Energy also denies that there are incorrect charges on Complainant's bill. By way of further answer, PECO Energy's records indicate that prior to this formal complaint with the Public Utilities Commission, Complainant made no complaints regarding meter tampering, foreign wiring, nor did she request PECO to investigate such claims. In response to Complainant's recent request in her formal complaint to check the equipment at Complainant's property, PECO Energy has scheduled a field visit to her property on October 04, 2006 to check the equipment servicing Complainant's address.

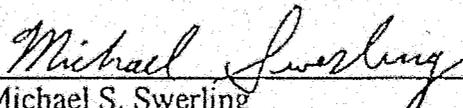

A decision of the Bureau of Consumer Services ("BCS") issued on or about July 13, 2006 set a payment agreement including a special monthly budget of \$706.00 per month. This special budget amount includes the regular monthly budget amount of \$441.00 plus the

monthly arrears payment of \$265.00. The Complainant has not complied with this decision to date. A copy of the BCS decision is attached as Exhibit A.

5. This paragraph is a request for relief and no answer is required.
6. PECO Energy is without sufficient information to confirm or deny this statement.
7. Admitted.

WHEREFORE, PECO Energy Company respectfully requests that your Honorable Commission dismiss the instant Complaint.
