B. Facts of complaint

Initially when I called PECO in May 2006 and requested a payment agreement because I received a termination letter. Based on my income (that has not changed) and the number of people in my household; I was placed on a budget for \$57.92. After I made the first payment in June 2006; I learned that my old bill from my previous residence was transferred to collection, when I transferred my services in December 2005. So when they put me on a budget they also pulled my old bill out of collection and attached it to my new account and gave me another disconnect notice with payment due of a little under \$900.00. A payment I was unable to make and had to involve PUC. I think this matter was handled unfairly because when the budget accepted and made in May 2006, I was under the impression that all the money I owed PECO and did not know that I had account placed in collection because my service was transferred not disconnected when I moved.

C. Relief

I appreciate PUC putting me on another budget because the one I am currently on for \$434.00 a month. This budget is one also that I can not afford. I understand with both accounts now as one \$57.92 is not enough but based on my income and number of people in my household if my budget could be reevaluated. I can understand if the budget payment of \$57.92 was now \$100.00 - \$200.00 a month because of the balance owed. But honestly I can not afford to pay the amount budgeted by PUC and do not want to receive termination every month because I am struggling to pay my bill. Please reevaluate and consider my income information sent to PECO in May 2006; if needed I can send additional proof of income.

6. PROTECTION FROM ABUSE

YES

NO

7. PRIOR UTILITY CONTACT

Answer the following question only if you are a residential customer and your complaint is against an electric distribution utility, natural gas distribution utility or a water distribution utility

Have you spoken to a utility company representative about this complaint?

YES

If you tried to, but could not speak to a utility company representative about your complaint, please explain why. I spoke with a representative to try to get a lower budget in June and was told I would have to pay

Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services.
