C-2017-2583049

My services and contract with AmeriKohl mining have been terminated due to lack of coal production. Because of this I am requesting the cancellation of my Public Convenience Certificate.

I no longer own the vehicle listed on the current registration and will not be operating a business at 276 Mt. Pleasant Rd Dilliner PA 15327.

Until receiving the certified letter I was not aware I needed to formally request cancellation of certificate. I assumed it would not re-new. Please excuse my ignorance. I apologize for confusion.
