RE: Lydia Taylor: Doc# C-2016-2574803

Please reschedule my hearing as my transportation was late picking my up today to bring to the center where I receive day services (and where I will be able to receive the call for the hearing) which was beyond my control. The program I receive day services has a social worker (Tia Alexander) who has been helping me with this process. Please send correspondence to her attendance to the following address.

1940 W. Allegheny Ave. Phila, PA, 19132

Thank you

Lydia Taylor
