Re: **Marathon Power, LLC – Tentative Order**
Docket Nos. M-2017-2584781, A-2014-2433775

Secretary Chiavetta:

This firm represents Marathon Power, LLC (“Marathon”). In response to the Tentative Order entered by the Pennsylvania Public Utility Commission (“Commission” or “PUC”) on February 9, 2017, in Docket No. M-2017-2584781, Marathon advises the Commission that Marathon provided an original Continuation Certificate to the PUC on Monday, February 6, 2017, as indicated by the attached tracking information.

The Tentative Order provides that “absent the filing of adverse public comment or the filing of approved security within 30 days after the publication in the *Pennsylvania Bulletin*, the Bureau of Technical Utility Services shall prepare a Final Order for entry by the Secretary.” Marathon notes that it provided approved security prior to the entry of the Tentative Order.

Marathon understands that the Continuation Certificate was approved and attached to the appropriate dockets today and apologizes for the unfortunate delay in providing this information to the Commission. Marathon further understands that it is currently in compliance with the Commission’s requirements for licensure as a Pennsylvania Electric Generation Supplier.

Marathon thanks the Commission for its prompt attention to this important matter. Please do not hesitate to contact me if you have any questions or if you require further information.

Very truly yours,

Murray E. Bevan
