C-2016-2578796

I am filing this Preliminary Objection to the Evidence being submitted by PPL's attorney on February 17, 2017

The evidence has nothing to do with my complaint. But it does show that my electric bill has been going down since they changed my meter on 04/05/2016. So if they want to add that to my meter complaint filed earlier last year.
