RE: North American Power and Gas, LLC – Gas License: Dkt. No. A-2013-2353838
Notice of Change in Ownership Structure and License Update

Dear Executive Secretary Chiavetta,

In accordance with 52 Pa. Code § 62.105, North American Power and Gas, LLC (“NAPG”) hereby notifies the Pennsylvania Public Utility Commission (“Commission”) of a change in its corporate ownership structure related to its certification as a licensed natural gas supplier under Docket No. A-2013-2353838.

NAPG is an indirectly owned subsidiary of NAPGS Holdco, LLC (“NAPGS Holdco”). On January 17th, 2017 Calpine Energy Services Holdco LLC (“CES”) directly acquired all of the membership interests of NAPGS Holdco, the ultimate indirect parent of the natural gas supplier, NAPG. A chart depicting the new ownership structure is attached hereto as Attachment A.

NAPG anticipates that the change in ownership of its parent company, NAPGS Holdco will have no effect on NAPG’s continued operation, current contracts, provision of service, or any other aspect of NAPG’s operation in Pennsylvania.

Additionally, enclosed are specific updates to applicable sections of NAPG’s application. NAPG is providing updated information regarding (1) NAP contact for PEMA; (2) NAPG’s corporate officers; and (3) affiliates. As a result of the change in ownership, there have been changes to this information. Therefore, attached hereto as Attachments B, C, and D, are updated information regarding each of these three items.

Please return a date-stamped copy of this letter using the enclosed self-addressed Federal Express envelope at your earliest convenience. Thank you for your assistance, and please contact me if you have any questions regarding this matter.

Please do not hesitate to contact me with any questions, via email at kjoseph@napower.com or by telephone at 203-663-9757.

Respectfully Submitted,

Keenia Joseph
Director, Regulatory Affairs
