This is the answer to the complaint filed against Armanis Limousine Service LLC by the Bureau of Investigation & Enforcement. A copy of the complaint is attached.

I am filing an answer which is: I am out of business and filing to close the authority issued to Armanis Limousine Service LLC. I was unable to maintain the business because of the UBER competition and the high cost of insurance of \$8,000 yearly. Additionally because of the furlow at the Pennsylvania Public Utility Commission Armanis Limousine was required to be insured for 1 year prior pending the approval of the authority. Additionally the LLC is also in the process of being terminated.

Therefore this is my answer: I am closing the authority and have filed to do this.
