AFTER HAND DELIVERING SAID Documentation to Judge VERA - IT IS SUGGESTED THAT THE PUC CONTACT JUDGE VERA REGARDING SUCH DOCUMENTATION; I FEAR, THAT THE MANY HANDS IT GOES THROUGH - THAT CERTAIN DOCUMENTATIONS - SUCH AS MY LAWYERS LETTER DATED 9/13/13 REGARDING 390 TERRACE STREET - CLEARLY STATES A PROBLEM - WHEN MISS McGUIRE NEVER HAD ELECTRICAL BILLS IN 2004, 2005, 2006, 2007, 2008, and more than 1/2 of 2009 - July 15, 2009 - INTERESTING TO NOTE - THE VERY 1st BILL WAS SENT ON THE VERY DATE MISS McGUIRE MOVED IN - THE 1st BILL WAS UNDECTAW OVERBILL. There was a problem BEFORE 2009.

Mia McGuire vs PECO Energy

- ① New charge - proved in Judge Vera's courtroom - DESCRIPAWAY in accounting. Contesting final bill and returned <sup>MONIES</sup> ~~to~~ miss McGuire
- ② IT was stated in Judge Vera's courtroom - that PECO cannot BE monitored - that IN fact, they CAN do anything they want which includes "Fixing the Books" in their favor! Before the PUC gets it.
- ③ PECO controls the following -
  - ① whatever they give the PUC
  - ② control the tapes that monitor what customers say
  - ③ the accounting
  - ④ the Billing
  - ⑤ Budget Billings - which is an account within an account - Accountant have to money LAUNDER from one account to another
  - ⑥ Personal and private info of the 2 million customers they service
  - ⑦ Creative financing - and accountant

(2)

DID indeed produce the formula  
or calculations of the Billings -  
"What is a kilowatt hour - feet -  
if that moving DSC - checked  
ONCE EVERY hour - the electric  
Bill would BE significantly reduced.

(8) CAP RATE program - which is not  
really much at all

(9) The meter reads -

(10) THE DATE GAME - MOVING THE DUE  
DATES AT ANYTIME - INITIATING FINES  
PENALTIES AND FEES - "PADDING THE BILL"

(11) Complications of a bill made in  
such a way, only an accountant  
can decipher -

(12) STEALING monies using the very laws  
that allow them to do it.

(13) MANIPULATION of the PUC - IN MANY  
CASES - MS WILLIAMS - LOVES TO BE IN  
CONTROL; managed to get the PUC to  
rule the 630,000; when in fact - The  
PUC cannot rule on Federal matters  
such as mail fraud - MS WILLIAMS herself  
SAID MISS McGUIRE'S bill was five - MISLEAD  
Judge Salapia (9/14/14) to thinking that  
MS McGUIRE was not paying her Bill when  
in fact she was - BLANTLY Told Judge  
Salapia that she wanted Miss McGUIRE  
to pay TAXES - KNOWINGLY - KNOWING

(3)

The special circumstances of 3900 TERRACE STREET - and 149 other properties - were seized by the Federal Govt for TAX EVASION - Ms Williams has BEEN covering this up - used the PUC and managed without notifying Mr Romine or Miss McGuire any of these proceedings and managed to stop investigation with regard to 3900 Terrace Street, in short - Ms Williams has done EVERYTHING to stop any flow of information with regard to this "COVERUP".

Miss McGuire DID NOT have electric bills - in 2004, 2005, 2006, 2007, 2008, and more than 1/2 of 2009 - July 15 2009 - Not July 14th 2009 - was when she moved in 519 W King St Apt 121. The 1st bill was an over bill.

There was ~~never~~<sup>no</sup> mention in all of these proceedings of a letter written by my lawyer David Romine dated 9/13/13 - it is interesting to note - the hearing was 9/14/14 regarding 3900 Terrace Street we need to find out the truth - and pay Miss McGuire BACK what she is owed and exonerate

(4)

Miss McGuire the Kinrad Bill sent to her by PECO.

### Facts

- ① PECO can change due date - A letter from ~~my~~ Miss McGuire's Landlord states - move in date July 15th; why did PECO push it back one day? ~~July~~
- ② The date the electric was shut off ~~July 14th~~ at 519 W King Street - was midnight Nov 4, 2014 - PECO stated that they could not shut off power until Nov 9th - Power was shut off via Breakers - Nov 4th - This in short is what PECO DOES - "What they want and not what they are told to do! Total disregard and respect of the PUC - ALL meters are computerized
- ③ We are in fact contesting the final Bill and request the PUC to make PECO pay Miss McGuire - since you ruled out - the \$630,000 owed to her - I'm not sure what is going on here - But Ms Williens MADE EVERY EFFORT - BEFORE Judge Vera's hearing - to stop any information from getting to the Judge's hands - my documentation letter sent to Miss McGuire and received on SATURDAY - 2 DAYS BEFORE the hearing - How is that for manipulation? I ~~handed~~ <sup>handed</sup> it to Judge Vera - THE DAY of the hearing -

(5)

To conclude -

We are asking the PUC to investigate  
Ms Williams manipulation of these  
proceedings - Ethnonate Miss McGuire  
of ALL monies owed + PECO pay

Miss McGuire what she is owed -

A special note - DURING these proceedings  
beginning 2014 - I had requested that  
all bills be sent to me - a copy of  
which was sent to my lawyer - DAVID  
BOMBUS - it included bills from 2009 -  
the first of which was July 15th the  
VERY DAY we moved in:

Why corporations such as PECO  
Energy - is allowed to literally -  
"do what they want" and not be  
monitored is confusing to me -  
stealing monies from the very people  
who are your customers is BAD BUSINESS -

How Judge Salapala ruling was overturned  
is confusing at best - How Ms Williams is able  
to manipulate the PUC - by Bull Bombus ruling  
without contacting Miss McGuire or David Bombus  
is curious at best.

6

We Ask the PUC to <sup>reconsider its</sup> ~~findings~~ findings and get BACK the monies owed to Miss McGuire and exonerate her from the final Bill -

With sincerest regards,

Mia Mc

In retrospect - How does the PUC really know what PECO gives you is true and correct - if they cannot BE monitored.

\$164.00 for the transcripts of 9/14/14  
Miss McGuire BARELY makes ends meet - Request the PUC to obtain SAID transcripts - Miss Williams laterally controlled the entire hearing for 2 hours - PLEASE send copy to Miss McGuire PO Box 63 Merion St, PA 19066-0063
