Request to Reschedule Hearing

Your Honor,

A hearing has been scheduled for 6/23/2016 at 1:30 p.m. for the above referenced case. I am requesting this date be rescheduled to another date. The original hearing date, scheduled in May was rescheduled. I did not receive any indication why it was rescheduled, but did receive notice. When I received notice for the hearing in May I had a commitment with an auditor for my job that I was able to have rescheduled. Unfortunately, this audit was only granted a 30 day extension and is scheduled the same time as my hearing. I am requesting this hearing be rescheduled. I have a conflict due to rescheduling to originally scheduled hearing date.

Thank you for your consideration,

Robin Callahan
