

*A personal note ...*

I filed a complaint about the  
water company - no response.

Docket # C-2017-2585453

I haven't heard from the PUC  
on this matter. I hoped someone  
would come to my property to  
look the situation over. I tried  
calling several times to no avail.  
Please let me know what's going
