PGW Service for
2928 Normandy Dr
Philadelphia PA 19154

Ms. Chiavetta,

Please be advised that I had a verbal agreement with PGW and attorney Graciela Christlieb to get services restored for the above mentioned property. Please be advised that we no longer have an agreement in place caused by PGW's inabilities. I would like this matter moved to a hearing. I would also request my attorney present and if PGW is found to be at fault, PGW to reimburse me for any legal expenses that are incurred.

Thank You

Eric Miller
