To whom this may Concern

Exceptions to interim order Closing hearing Record received today, Unsigned by the way by Judge Watson Regarding the a for mentioned docket Number

Numbers in this document do not exist o I am making them up for Ms. Krupka because she keep filing complaints that I am not using them.

1. I Object to the fact he even wrote this since he has ignored everything that was summited by Ms. Krupka for PPL.
2. He evidence I summited was not read by the Judge. Since this is the evidence that PPL's Attorney MS. Krupka has summited in most of my complaint hearings and the Judge has allowed it. My complaints have not about me paying my bill or billing in general yet he put wait on this evidence that

3. I was told in the hearings that they had no way to tell if my power was going on and off (even for a second it messes all the electronic I have in my house.) yet they have summited evidence of this to Judge Watson that he has took as evidence yet he cannot get the point of my complaints which is that this has been going on for 17 years and Ppl new about it and never looked into it until I filed my complaints.
4. It took me a while to get my complaints right. So I have to explain each one that has been filed by including all evidence with my complaints Like pictures and documents showing the problems I am having and how we are being lied to n the hearings by the witnesses. Only to have the Judge to ignore them. Even though they are actually part of my complaint. Which I would assume to be summited to a hearing since it is part of my complaint

This is not done until he excepts the complaint in total as required by law. Not choose what is to be ignored. Unless he was emailed by the Attorneys and told to do this without given me a copy. Both illegally and unconstitutionally as I have caught in the past.

I think it is funny he takes the attorneys side on each compliant I have e filed. As far as Papers from the Judge I have yet to receive anything from him that I can physically do. Since I cannot drive every day to the copy store or the Post office. The time I have tried to send anything to the Judge I received either bad address or refused delivery on my certified correspondence to him. I have yet to get anything back form the Post office that I send even though they are to return everything to the sender that cannot be delivered. But that is another story as I keep being told by the secretary every time I file a document. Or new complaint.

PS. Judge Watson did not sign the copy of the order I received today via email.

A handwritten signature in blue ink, appearing to read "Ross E. Schell". The signature is fluid and cursive, with the first name "Ross" and last name "Schell" clearly distinguishable.

Only local courts in Philadelphia County can address this type of complaint. The PUC can address a complaint about service or incorrect billing even if that amount is subject to a lien.

In addition, the PUC generally does not handle complaints about cell phone or Internet service, but may be able to resolve a dispute regarding voice communications over the Internet (including the inability to make voice 911/E911 emergency calls) or concerns about high-speed access to Internet service.

5. **Requested Relief**

**How do you want your complaint to be resolved?** Explain what you want the PUC to order the utility or company to do. Use additional paper if you need more space.

17 Years of bill pay back because of lousy service .

Note: The PUC can decide that a customer was not billed correctly and can order billing refunds. The PUC can also fine a utility or company for not following rules and can order a utility or company to correct a problem with your service. Under state law, the PUC cannot decide whether a utility or company should pay customers for loss or damages. Damage claims may be sought in an appropriate civil court.

6. Protection From Abuse (PFA)

Has a court granted a "Protection From Abuse" order that is currently in effect for your personal safety or welfare? The PUC needs this information to properly process your complaint so that your identity is not made public.

Note: You must answer this question if your complaint is against a natural gas distribution utility, an electric distribution utility or a water distribution utility AND your complaint is about a problem involving billing, a request to receive service, a security deposit request, termination of service or a request for a payment agreement.

**INTERIM ORDER  
CLOSING THE HEARING RECORD**

On September 13, 2016, Complainant filed a formal complaint (complaint) dated September 12, 2016 at Docket No. C-2016-2566320. The complaint alleges reliability, safety or quality problems with his utility service. As relief, in his complaint, Complainant requested \$150,000 paid to him as a penalty or fine and a restart of his billing two months after his case is settled or completed. At the hearing, without objection, Complainant was permitted to amend his complaint to reflect his requested relief of a refund of his bills paid over the past seventeen years.

Respondent filed its answer to the complaint on October 3, 2016. Respondent admitted that it provides electric service to Complainant and essentially denied the material averments that it failed to provide reasonable and adequate service as set forth in the complaint. Complainant filed an answer to Respondent's answer on October 6, 2016, essentially reiterating the averments set forth in his complaint.

On November 30, 2016 a hearing notice was issued which scheduled the initial telephonic hearing for January 12, 2017 at 10:00 a.m. before the undersigned presiding officer. On December 2, 2016, the undersigned presiding officer issued a prehearing order, which set forth the procedural requirements for a formal hearing before the Commission.

On January 12, 2017, the undersigned presiding officer convened the initial telephonic hearing as scheduled. Complainant appeared *pro se* and testified on his own behalf. He offered one exhibit which was admitted into evidence. Respondent was represented by Kimberly G. Krupka, Esquire, who presented testimony from one witness and offered one exhibit which was admitted into evidence.

On January 13, 2017, Complainant filed a petition for interlocutory review with the Commission. The Petition was not granted within 30 days of filing and therefore was deemed denied.<sup>1</sup>

A transcript of the hearing was generated, consisting of 47 pages, was received by the undersigned presiding officer on February 17, 2017.

THEREFORE,

IT IS ORDERED:

1. That the record in the above-captioned matter filed at C-2016-2566320 is closed.
2. That an Initial Decision shall be prepared in this matter.
