Mr. Farrell - thank you for graciously agreeing to grant me a one-month extension on the deadline to respond to preliminary objections by Duquesne Light Co. to the complaint I filed with the Public Utility Commission (Case No. C-2017-2589827). This extension would make the new deadline April 21. Please confirm this in writing so I can present it to Ms. Rosemary Chiavetta at the PUC. I suppose the most expeditious way to confirm this is by responding to my email. Again, many thanks. Deborah Weisberg
