Re: Removal from Participation in Pennsylvania One Call System

Dear Ms. Szuch:

Effective as of November 1, 2016, Antero Resources Corporation ("Antero") consummated the sale of certain of its oil and natural gas assets located in the Commonwealth of Pennsylvania to EQT Production Company ("EQT"). The assets include leasehold and other contract rights, wells and personal property in the counties of Washington, Greene and a portion of Westmoreland. Antero will continue to own leasehold acreage in Fayette and a portion of Westmoreland counties, but does not own or operate any physical assets in those counties that would necessitate continued participation in the Pennsylvania One Call system.

Accordingly, Antero respectfully requests that it be removed from participation in the Pennsylvania One Call system at this time. Any inquiries related to the assets in Pennsylvania formerly owned or operated by Antero should be directed to the Pennsylvania One Call system coordinator for EQT.

Please do not hesitate to contact me if you have any questions or need additional information.

Sincerely,

A handwritten signature in blue ink that reads "J. Kevin Ellis".
