Re: Removal from PaPUC's Act 127 Registry

Dear Commission,

Antero Midstream LLC operated 1.6 miles of Class 1 Gathering (unconventional) pipeline in Washington County, Pennsylvania. Effective November 1, 2016 Antero Resources Corporation ("Antero") sold these assets to EQT Production Company ("EQT"). As of that date Antero no longer owns or operates any pipelines in Pennsylvania subject to Act 127 and respectfully requests that Antero be removed from the PaPUC's Act 127 registry. Accordingly, Antero will not be filing a registration renewal for calendar year 2016.

Attached to this correspondence you will find a letter and return confirmation of Antero's membership cancellation with the Pennsylvania One Call System, effective February 28, 2017.

Should you have any questions or require additional information please do not hesitate to contact me by phone: (740) 516-2168 or email: [brsmith@anteroresources.com](mailto:brsmith@anteroresources.com).

Sincerely,

A handwritten signature in blue ink that reads "Brandi P. Smith".
