RE: Shirley Lightfoot v. PPL Electric Utilities Corporation and Interstate Gas Supply, Inc.  
d/b/a IGS Energy; Docket No. C-2017-2587684

Dear Mediator Hunt:

As required by Chief Administrative Law Judge Rainey's, *Interim Order Setting Resolution Conference* dated March 21, 2017, the Respondents to the above captioned matter participated in a telephonic resolution conference with Ms. Shirley Lightfoot at approximately 9:15 a.m. on March 29, 2017. On the telephone, in addition to Ms. Lightfoot representing herself, were Kimberly Krupka, Esq., for PPL, Ann Collum for PPL, undersigned counsel for IGS and Anthony Cusati, III for IGS. The Respondents discussed the Complaint and approaches by which the Complaint could be resolved without the resort to litigation. Unfortunately, the Parties were unsuccessful in reaching a resolution. It is IGS's understanding that Ms. Lightfoot have a meter test done on the meter at the property in question to determine whether the meter is, in fact, properly functioning. IGS would suggest that pending the results of that test, a hearing should be scheduled.

If you have any further questions regarding this matter, please do not hesitate to contact the undersigned.

Very truly yours,

Todd S. Stewart  
Counsel for Interstate Gas Supply, Inc. d/b/a  
IGS Energy
