Pennsylvania Public Utility Commission:

I received a complaint letter through the mail, via certified letter on Friday, January 13<sup>th</sup>, 2017, stating that my company was under suspension due to failure to maintain evidence of insurance with the Commission. Immediately, I contacted both my insurance company (ERIE) and PUC to find out what was going on. Once the problem was known, my insurance company made the correction to file the right form with PUC. The company has not had any lapsed insurance and insurance has always been carried. I would like to request that since the proper paperwork has now been submitted from the insurance company, that the fine that is pending be reconsider. Please feel to contact me in this matter if there is anything else that would need to have done on behalf of myself or Erie, my insurance company.

Thank you,

Shawn T. Schnoke T/A Ravine Trucking
