**RE: Kim Woodrosky v. UGI Penn Natural Gas, Inc.
Docket No. C-2017-2589222**

Dear Judge Barnes:

I have been retained to represent Kim Woodrosky in the above matter.

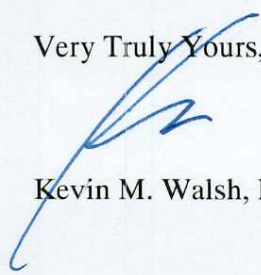

I note the initial call-in telephonic hearing is rescheduled for Monday, April 24, 2017 at 10:00 a.m.

Kindly understand my client will be out of the country on vacation and will be traveling home on April 24th. Therefore, kindly consider this a request for a continuance.

I contacted Larry Crayne, Esquire and he advised that he does not object to my request for a continuance.

Thank you for your understanding. Please do not hesitate to contact me if you have any questions or comments.

Very Truly Yours,

Kevin M. Walsh, Esquire
