To Whom It May Concern,

I am writing to request a 30 day extension on the due date for the verified statement package. The due date was originally set for 3/24/17. When completing the package I had a couple of questions and placed several calls to Joshua Kwiatowski who is listed as the contact person however unfortunately I did not receive any return calls. Today I did place a call to Lisa @717-783-5945 who was kind enough to return my call and answer my questions. Thank you in advance.

Kindly,

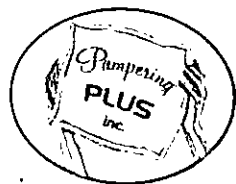

Jocelyn Mayo RN, BSN, MBA
