Thank you. I'll forward this to the Secretary's Bureau, the Bureau of Technical Utility Services and the Bureau of Investigation and Enforcement so they can adjust their records accordingly.

One additional request: Please use the Commission's eFile system to file a PDF of your email (and/or my email in response) to Docket No. A-2012-2293537 listing the type of document as "name or entity change".

Subject: Name Change Notification -- Talisman Energy USA, Inc to Repsol Oil & Gas USA, LLC

Mr. Young,

Pursuant to our conversation of yesterday, Tuesday, April 11, 2017, I am requesting that as of January 1, 2017 all current and future Act 127 Pennsylvania Pipeline Annual Registration Forms for Docket # A-2012-2293537 reflect the current legal name of Repsol Oil & Gas USA, LLC.

Effective December 30, 2016, Talisman Energy USA Inc. ("TEUSA") converted from a Delaware corporation to a Texas limited liability company named **Repsol Oil & Gas USA, LLC**. ("ROGUSA"), having its principal place of business at 2455 Technology Forest Blvd., The Woodlands, TX 77381.

(Please Note: The mailing address for all PAPUC correspondence remains 50 Pennwood Place, Warrendale, PA 15086).

This name change will NOT result in a new tax identification number – it will remain [REDACTED]. There is full continuity of the TEUSA entity such that all TEUSA assets are assets of ROGUSA.

If you should have any further questions, please do not hesitate to contact me.

Regards,

Dave
