RE: Susquehanna Energy Advisors, Inc. application to serve as a Natural Gas Broker

Dear Mr. Felton,

Based on your assertion that Susquehanna Energy Advisors, Inc. ("SEA") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that SEA will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that SEA will not be taking title to gas or directly serving end use customers. This also assumes that SEA will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU tariffs. If SEA wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

David E. Lahoff

Re: Bonding Requirements

PECO is aware that Susquehanna Energy Advisors, Inc. has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Susquehanna Energy Advisors, Inc. could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Susquehanna Energy Advisors, Inc. has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Susquehanna Energy Advisors, Inc. does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Susquehanna Energy Advisors, Inc. or the creditworthiness requirement for PECO's exposure to Susquehanna Energy Advisors, Inc. changes in the future, PECO reserves the right to require Susquehanna Energy Advisors, Inc. to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Respectfully submitted,
