NO ACTION REQUIRED: Your service will continue under your current service agreement without interruption.

Dear {Customer Name},

Bargain Energy greatly appreciates the opportunity to serve as the supplier of electricity for your Duke Energy account. We are writing to let you know that Bargain will assign your electricity service to National Gas & Electric, LLC, another certified electricity and natural gas supplier licensed by the Public Utilities Commission of Ohio, effective with your first meter read date after April 26.

National Gas & Electric is run by an experienced team of energy experts with decades of retail energy supply and utility experience. The National Gas & Electric team's experience in deregulated energy markets enables them to offer highly competitive prices, and friendly customer service.

No action is required on your part for this transfer to occur. National Gas & Electric will honor your current agreement in place with Bargain and there will be no changes to the terms or conditions through the life of your current contract. This transfer will not cause an interruption of your electricity services and you should continue to pay your Duke Energy bill as normal. The same quality support and service that you are used to with Bargain will continue with National Gas & Electric.

If you have a fixed rate plan with Bargain, your service will continue with the same fixed rate until the end of your contract term or upon cancellation of service (termination fees may apply). If you are currently served under a variable rate with Bargain, your service will continue with National Gas & Electric's variable electricity rate. You may also contact National Gas & Electric directly to see what other options are available, including renewal options if your contract is expiring soon.

If you have any questions about the transfer of service, please contact Bargain Energy. For your convenience, the contact information for both companies is shown below. We thank you for the opportunity to serve you and we are confident you will enjoy your new service with National Gas & Electric.

Bargain Energy greatly appreciates the opportunity to serve as the supplier of electricity for your Duke Energy account. We are writing to let you know that Bargain will assign your electricity service to National Gas & Electric, LLC, another certified electricity and natural gas supplier licensed by the Public Utilities Commission of Ohio, effective with your first meter read date after April 26.

National Gas & Electric is run by an experienced team of energy experts with decades of retail energy supply and utility experience. The National Gas & Electric team's experience in deregulated energy markets enables them to offer highly competitive prices, and friendly customer service.

No action is required on your part for this transfer to occur. National Gas & Electric will honor your current agreement in place with Bargain and there will be no changes to the terms or conditions through the life of your current contract. This transfer will not cause an interruption of your electricity services and you should continue to pay your Duke Energy bill as normal. The same quality support and service that you are used to with Bargain will continue with National Gas & Electric.

If you have a fixed rate plan with Bargain, your service will continue with the same fixed rate until the end of your contract term or upon cancellation of service (termination fees may apply). If you are currently served under a variable rate with Bargain, your service will continue with National Gas & Electric's variable electricity rate. You may also contact National Gas & Electric directly to see what other options are available, including renewal options if your contract is expiring soon.

If you have any questions about the transfer of service, please contact Bargain Energy. For your convenience, the contact information for both companies is shown below. We thank you for the opportunity to serve you and we are confident you will enjoy your new service with National Gas & Electric.

Kind Regards,

Jim Brennan
