PETITION OF UGI ENERGY SERVICES, LLC d/b/a/ UGI
ENERGYLINK TO REDUCE ITS BONDING REQUIREMENT

UGI Energy Services, LLC d/b/a/ UGI ENERGYLINK, (“UGIES”) hereby files the instant Petition to Reduce its Bonding Requirement pursuant to the Pennsylvania Public Utility Commission’s (“Commission”) Final Order, at Docket No. M-2013-2393141, entered July 24, 2014 (“Bond Order”).¹ In support thereof, UGIES states as follows:

1. UGIES is a licensed electric generation supplier (“EGS”) in the Commonwealth of Pennsylvania.
2. UGIES has been a licensed EGS for more than one year. It was originally licensed as a corporation in 1998 at Docket No. A-110076 and then relicensed as a limited liability company in 2013 at Docket No. A-2013-2369288. UGIES has maintained its license in good standing since that time.
3. UGIES is compliant with its current bonding requirements.
4. In the Bond Order, the Commission held that an EGS, following its first year of operations may petition to have its bonding requirement reduced from 10% to 5% of the EGS’s last 12 months of revenue or \$250,000, whichever is greater. (Bond Order, pp. 17-18.)

¹ *Public Utility Commission Bonding/Security Requirements for Electric Generation Suppliers; Acceptable Security Instruments*, Docket No. M-2013-2393141 (Order entered July 24, 2014).

5. Through this petition, UGIES seeks to reduce its bonding requirement to \$250,000. Five Percent of UGIES gross receipts during the last 12 months is less than \$250,000.

6. UGIES is including the following information with this petition: (i) UGIES' gross revenue for the sale of electricity to retail customers in Pennsylvania for the most four quarters is attached as Appendix A; and (ii) the Tax Letter of Good Standing from the Pennsylvania Department of Revenue is attached as Appendix B.

7. As directed by the Bond Reduction Order, UGIES anticipates working with the Commission's Bureau of Technical Utility Services ("TUS") to process this Application and welcomes TUS's input and guidance for this bond reduction.

8. After coordination with TUS and upon approval of the reduction, UGIES will make a compliance filing with the new bond reflecting the reduced bond amount.

UGI Energy Services, LLC d/b/a/ UGI ENERGYLINK therefore respectfully requests that the Pennsylvania Public Utilities Commission, in accordance with the Bond Order, grant the instant Petition and approve a reduction to its bonding requirements.

Respectfully submitted,
