Susan Kreider

v.

PECO Energy Company

Public Meeting May 4, 2017

2469655 – OSA

Docket No. C-2015-2469655

JOINT STATEMENT OF COMMISSIONERS
DAVID W. SWEET AND ROBERT F. POWELSON

The matter of *Susan Kreider v. PECO Energy Company* comes to us on the exceptions and reply exceptions to the Initial Decision of the Administrative Law Judges Christopher Pell and Darlene Davis Heep. Following the filing of exceptions, the Complainant, Susan Kreider, unexpectedly passed away. Under these unfortunate circumstances, we believe that this complaint is rendered moot. With the untimely death of the complainant, there no longer is a case in controversy, and therefore, no claims remain for which the executor can be substituted.

David W. Sweet, Commissioner

Robert F. Powelson, Commissioner
