

Update on case C-2016-2558226, Ivan Yotov vs. Duquesne Light Company

May 11, 2017

I am writing to request that the record of the case be open so I can submit an additional evidence. Another big chunk of the dangerous tree under dispute fell today. This the fifth such occasion since I filed the initial complaint. A photo of the fallen branch on the ground is enclosed below. The chunk that fell is visible on the tree on the bottom picture taken a couple of weeks ago. It is the branch leaning on top of the large right branch. This is an extremely dangerous situation. It is imperative that the PUC makes a decision on this case in the most urgent manner.

This document is being provided to Duquesne Light via email to their attorney Jeremy Farrell [jfarrell@tuckerlaw.com](mailto:jfarrell@tuckerlaw.com). It is also emailed to ra-OSA@pa.gov.
