

PENNSYLVANIA PUBLIC UTILITY COMMISSION
Harrisburg, PA 17120

George D. Keller Memorial Association
c/o Mark Schropp
v.
PPL Electric Utilities Corporation

Public Meeting held May 18, 2017
2568272-ALJ
Docket No. C-2016-2568272

STATEMENT OF CHAIRMAN GLADYS M. BROWN

PPL Electric Utilities Corporation (PPL) has been a good corporate citizen in the years that it has been operating in Pennsylvania.

While I agree that PPL's tree removal practices in this case were reasonable under Section 1501 of the Public Utility Code, 66 Pa. C.S. § 1501, this case involved tree removal and vegetation management on property serving the public for scouting purposes.

I urge PPL to meet with the Complainant and find ways to address vegetation management going forward in light of the public interest in scouting served by this Complainant's property.
