Has filed assume knowingly all filing needed by the PUC, in which we have received a notice of insurance was received A-2013-2365078 and may resume operations, No one was notified on our end of 2 filings being needed, usually only did the Form E, it should of stated (however you still needed Form H) and it would have been done together.

Form H was immediately done after notice and in the future will be filed together now that we were notified and aware of changes.

We are requesting that the \$500.00 fine be waived, for this is the first time for a miscommunication of filings and also retained the needed insurance for coverage upon renewal.

Thank you,
